   Louis E. Pelton, University of North Texas
   R. Keith Tudor, Kennesaw State College
   David Strutton, The University of Southwestern Louisiana

How to Use Retired Multinational Executives to Help Professors Teach Marketing Strategy ................................................................. 70
   Joseph M. Bearson, Eckerd College
   Steven L. Sizoo, Eckerd College

Making Student Research More Ethical: A Preliminary Examination .............. 74
   Michael Jay Polonsky, University of Newcastle, Australia

Relational Bonding in Marketing Channels

Customer Bonding: Toward a More Formal Theoretical Perspective ............. 76
   Cynthia W. Cann, University of Scranton
   Philip C. Burger, Binghamton University

Ownership Redirection in Franchising: A Conceptual Exploration of the Moderating Effect of Relationalism ...................................................... 82
   Audhesh K. Paswan, University of South Dakota
   Joyce A. Young, Indiana State University
Prescription for the New Pharmaceutical Marketing: Value Relationships .......................... 89
William Trombetta, Fairleigh Dickinson University

Logistics: Customer-Driven, Supplier Steered

Logistics Alliances: A Source of Competitive Advantage ................................................ 90
Julie J. Gentry, University of Arkansas

Customer Based Measures of Inventory Performance ....................................................... 91
Walter Zinn, University of Miami
Tom T. Mentzer, University of Tennessee

Relationship Marketing: International Comparisons of Channel and Logistical Integration Interfaces ................................................................. 99
Steven R. Clinton, Michigan State University
Edward A. Morash, Michigan State University

Issues in Survey Research: Rank and Rate, Carryovers and Followups

Improving Value Ratings: An Assessment of the Rank-then-Rate Approach ....................... 101
Sharon E. Beatty, University of Alabama
Wendy K. Martin, University of Alabama
Mahn Hee Yoon, Taego University, Korea
Lynn R. Kahle, University of Oregon

The Impact of Respondent Accountability on Carryover Effects in Marketing Research ........ 105
Sandipa Dublish, Florida International University
Mary Jane Burns, Florida International University
A. V. Muthukrishnan, Hong Kong University of Science and Technology

Prenotification and Follow-up Effects on Mail Survey Response in a Professional Population ................................................................. 109
Vincent-Wayne Mitchell, University of Manchester
J. Brown, University of Manchester

Consumer Behavior Perspectives on the Product

Counterfactuals and Affective Responses to Product Breakdown ....................................... 110
Valerie Folkes, University of Southern California
Walfried Lassar, University of New Hampshire

Diffusion of Innovation Under Modified Market Structure: The Case of Surrogate Buyers ................................................................. 115
Praveen Aggarwal, Syracuse University
Taihoon Cha, Syracuse University

Do Consumers Use the Same Quality Dimensions When Evaluating Products from Different Countries? ................................................................. 116
K. N. Rajendran, University of Northern Iowa
### Retail Service Issues

**Guidelines for Developing Retail Recovery Strategies** ................................................... 123  
K. Douglas Hoffman, University of North Carolina, Wilmington  
Scott W. Kelley, The University of Kentucky, Lexington

**The Effects of Service Failure on Buyer-Seller Relationship Deterioration** .................. 124  
Adrian Palmer, De Montfort University, United Kingdom  
David Bejou, University of North Carolina, Wilmington

**The Role of Service Quality in Durable Goods Retailing: A Conjoint Approach** .............. 126  
H. A. Laskey, Western Michigan University  
F. B. Seaton, Florida International University

### International Marketing: Consumer Oriented Issues

**An Explanation for Americans’ Endorsement of Free Trade and Their “Buy American” Activities in the Marketplace** .......................................................... 127  
Kent L. Granzin, University of Utah  
Linnea Curtis, University of Utah  
Janeen E. Olsen, Louisiana State University

**The Impact of Consumer Ethnocentrism on Consumer Evaluations of Bi-National Products** ...................................................... 129  
John Hadjimarcou, The University of Texas, El Paso  
Darryl W. Miller, Washburn University  
Alan Miciak, University of Calgary, Canada

**International Environmental Marketing Claims: Real Change or Simple Posturing?** ........... 136  
Michael Jay Polonsky, University of Newcastle, Australia  
Les Carlson, Clemson University  
Stephen Grove, Clemson University  
Norman Kangun, University of Texas, San Antonio

### Strategic Perspectives for Marketing

**Total Learning Marketing** ................................................................. 138  
G. Tomas M. Hult, Florida State University  
Amy J. Morgan, Bradley University

**Marketing Culture and Strategy: An Assessment of Strategic Coalignment** .................. 144  
Craig A. Conrad, Wingate University  
Harry A. Harmon, Central Missouri State University  
Gene Brown, Louisiana Tech University

**Mission Statements and Corporate Identity** ..................................................... 145  
Lance Leuthesser, California State University, Fullerton  
Chiranjeev Kohli, California State University, Fullerton

**Market Attractiveness, Resource-Based, and Evolutionary Approaches to Strategy: A Comparison** ................................. 149  
Sergio Olavarrieta, The University of Georgia and University of Chile
International Marketing: Import, Export and Trade Issues

Ongoing Import Motivation: The Relevance of Level of Import Development ................................. 154
Constantine S. Katsikeas, University of Wales, UK
Robert E. Morgan, University of Wales, UK

Determinants of Export Marketing Research Evaluation: An Exploratory Study of Firms in the U.K. .................................................. 155
Adamantios Diamantopoulos, University of Wales, UK
Judy A. Siguaw, The University of North Carolina at Wilmington

A Market Share Approach to International Trade: A Longitudinal Analysis of Triad Competitiveness .................................................... 160
Howard G. Ling, Old Dominion University
C. P. Rao, Old Dominion University

In Pursuit of Service Quality

How are Service Firms Measuring and Managing Service Quality/Customer Satisfaction? ................. 161
Carol C. Bienstock, Valdosta State University
Tom T. Mentzer, University of Tennessee
Kenneth B. Kahn, Georgia Institute of Technology

The Role of Patient Satisfaction and Service Quality in the Formation of Customer’s Purchase Intentions For Health Care Services .................................................... 162
Thomas L. Baker, The University of North Carolina, Wilmington
Steven A. Taylor, Illinois State University

An Examination of the Means-End Model of Price, Quality and Value in the Service Industry .................................................... 163
David C. Bojanic, University of Massachusetts

On the Reliability and Validity of the SERVQUAL Instrument in South Africa .................................................... 164
Leyland Pitt, Henley Management College & Brunel University, UK
Pierre Berthon, Henley Management College & Brunel University, UK
Gerard Prendegast, Henley Management College & Brunel University, UK
Deon Nel, University of Cape Town, South Africa

Retail Management

A Measure Focusing on Part-time/Full-time Employees .................................................... 165
Sharon Clinebell, University of Northern Colorado
Ronald K. Taylor, Shippensburg University

An Exploratory Study of Retailing to the Mexican National Consumer in the Border Zone .................................................... 170
John W. Barnes, The University of Texas, El Paso
John Hadjimarcou, The University of Texas, El Paso

Determinants of Perceived Institutional Expertise: Investigating the Contribution of Products, Personnel, and Internal States .................................................... 171
Lynn Samsel, University of Nebraska
Raymond A. Maquardt, University of Nebraska
Ronald D. Hampton, University of Nebraska
Non-Traditional Aspects of Marketing Management

The Nonprofit Service Provider’s Strategic Response to Anticipated Changes in Government Funding for HIV/AIDS Programs: The California Experience ................. 176
Shohreh A. Kaynama, Towson State University
Garland Keesling, Towson State University

   Stephen M. Rutner, The University of Tennessee, Knoxville

Consumer Behavior Research on Shopping and Decision Making

Gender Role and Participation in Shopping Behavior: Power, Time Availability, and Ideology .................................................... 213
   Kent L. Granzin, University of Utah
   John J. Painter, University of Utah

Positioning, Categorization Processes, and Low Involvement Shopping .................................................... 219
   Debra M. Desrochers, University of Rochester
   Shailedra Pratap Jain, University of Rochester

Compensatory Versus Non-Compensatory Choice Strategies in Limited Problem Solving Consumer Behavior: Engel-Kollat-Blackwell Versus Howard Models .................................................... 220
   Paula Tidwell, Charles Sturt University-Mitchell, NSW Australia

Tempering Relationships in Tepid Marketing Channel Climates

Voice and Marketing Channels: A Closer Look .................................................... 225
   Robert A. Ping, Jr., Wright State University

The Critical Link Between Corporate Culture and Marketing: A Humanistic Perspective .................................................... 226
   James G. Hutton, University of St. Thomas

The Sales Manager’s Attributional Process for a Failed Sales Effort: An Exploratory Study of the Influence on Feedback Provided to the Salesperson .................................................... 227
   Harry A. Harmon, Central Missouri State University
   Gene Brown, Louisiana Tech University
   Kevin L. Hammond, University of Tennessee, Martin
   Robert E. Widing II, University of Melbourne

Issues in Methodological Applications: Combinations, Assessments and Misspecifications

Longitudinal Multi-Method Approach for the Study of Marketing Strategy Processes .................................................... 228
   Mark B. Houston, Bowling Green State University

An Assessment of Dimensions and the Stability of Items in the MARKOR Scale .................................................... 229
   Albert Caruana, University of Malta, Malta
   Leyland F. Pitt, Henley Management College, UK
   Arthur H. Money, Henley Management College, UK
Convergence and Stability of Alternative Estimators in Misspecified Covariance Structures ........................................................... 230

Ulf Henning Olsson, NLH Agricultural University of Norway
Roy D. Howell, Texas Tech University
Sigurd Villads Troye, Norwegian School of Economics and Business Administration

Promotion Management

Assessing Advertising Portrayals of Women: Toward Equality But Still Sexist ............. 231
John Mager, Eastern Washington University
Lin Summers-Hoskins, Eastern Washington University
James G. Helgeson, Gonzaga University

Creative Strategy and Magazine Advertising Readership: A Pilot Study .................. 236
Art Weinstein, Nova Southeastern University

The Effect of Cause Related Marketing (CRM) on Emotions and Attitudes ................ 238
Leland Campbell, Bentley College
Charles S. Gulas, Wright State University

An Analysis of the Independent Influences Hypothesis Across Involvement Environments: When Attitude Toward the Ad Predicts Purchase Intentions ......................... 243
William T. Neese, University of Arkansas, Little Rock
Louis M. Capella, Mississippi State University

Decision-Making in the Retail Marketplace

Exploring Consumer Retail-Type Concentration in Choice Set Processes ................. 244
Jill S. Attaway, Illinois State University
Mitch Griffin, Bradley University

Personal & Non-Personal Information Sources Used in the Purchase of Men’s Apparel ........................................................ 249
Tammy L. Kinley, Louisiana Tech University
Craig A. Conrad, Wingate College
Gene Brown, Louisiana Tech University

The Planning Fallacy: Consumers’ Unrealistically Optimistic Marketplace Expectations .......................................................... 250
James W. Clark, James Madison University
Richard R. Tansey, James Madison University
George W. Wynn, James Madison University

Marketing Channel Environments: Stricture, Structure and Strength

Channels of Distribution--Structure, Process and Performance: Some Research Propositions ................................................... 256
Kathleen VanScyoc, Hampton University
C. P. Rao, Old Dominion University

The Development of Chinese Distribution Channels in Economic Reform ................ 257
Don Y. Lee, Nanyang Technological University, Singapore

Zen and the Art of Market Maintenance: The Changing Role of Selling in Marketing Relationships ................................................. 258
Thomas F. Stafford, Cameron University
Back to the Classroom: Innovations and Processes

Student Ratings of Instruction: A Causal Analysis of Process Variables .......................... 263
