## Table of Contents

### High Technology and Computers in the Global Environment

- **The Fit of Information Technology to Global Marketing Strategies**  
  Narender "Nari" K. Ramarapu, University of Tennessee, Martin  
  Kevin L. Hammond, University of Tennessee, Martin  
  John E. Timmerman, University of Tennessee, Martin ........................................... 1

### Diffusion and Adoption of Computers: A Marketing Analysis of a Government Program for Small and Medium Enterprises in Singapore

- Sanjay S. Mehta, University of North Texas  
  Subhash C. Mehta, National University of Singapore  
  Patrick Lau Chen Chai, National University of Singapore ......................................... 2

### The International Entry Modes Selection: The Case of Computer Service Firms

- D. Deo Sharma, University of Uppsala, Sweden  
  Anders Majkgard, University of Uppsala, Sweden ..................................................... 4

### Advertising: Images and Differential Effects

- **Social Comparison and the Idealized Images of Advertising: Revisited**  
  Alyssa Baird, Bloomsburg University  
  Amy Grbavac, Bloomsburg University  
  Denise Marinko, Bloomsburg University  
  Michelle Neuman, Bloomsburg University  
  Mary K. Ericksen, Bloomsburg University ................................................................. 6

- **An Assessment of the Differential Effects of Negative Comparative, Comparative, and Non-Comparative Print Advertisements**  
  John H. Holmes, Skidmore College  
  Scott Greenstone, Skidmore College  
  Durdana O. Dosen, Skidmore College ........................................................................ 11

### Pricing and Product/Brand Management

- **An Empirical Investigation of the Direct and Indirect Effects of Price on Brand Choice**  
  K. Sivakumar, University of Illinois at Chicago ......................................................... 17

- **The Dominant Effects of Brand Name Information: Implications for Consumers’ Product Evaluation**  
  William B. Dodds, Fort Lewis College ......................................................................... 18

- **Modeling New Product Diffusion: A Micro-Level Approach**  
  Zheng Richard Sha, University of Tennessee, Knoxville  
  X. Michael Song, University of Tennessee, Knoxville ................................................ 19

### Buyer Behavior and Consumer Issues

- **Purchase Decision Variables in International Industrial Markets: An Empirical Exploration**  
  Constantine S. Katsikeas, University of Wales, United Kingdom ............................. 25

  Susan K. Foreman, Henley Management College ........................................ 184

Quantitative Methods

Effects of Multicollinearity in Data Envelopment Analysis (DEA) Models of Product Market Efficiency
  J. K. Kalita, Baruch College
  Gopal R. Iyer, Baruch College ................................................................. 185

Evaluating and Selecting Bases for Conjoint-Based Segmentation
  S. Amirani, Sophisticated Data Research
  Paul Green, The Wharton School ............................................................... 192

Appropriateness of Mathematical Programming in Marketing to Solve Discriminant Problems: A Monte Carlo Simulation Approach
  S. S. Mehta, University of North Texas
  P. Wanarat, University of North Texas
  R. Pavur, University of North Texas ........................................................... 193

Country-of-Origin and Ethnocentrism

Variation in Country of Origin Images Between Destination Countries: An Exploration
  Roberto Solano Mendez, Universidad de las Americas, Mexico
  Irfan Ahmed, Texas A & M University .......................................................... 195

The Impact of Brand National Affiliation and Country of Production on Consumer Preferences
  H.A. Laskey, Western Michigan University
  F.B. Seaton, Florida International University .............................................. 196

Ethnocentrism: A Literature Overview and Directions for Future Research
  Matthew B. Myers, Michigan State University ............................................ 202
### Emerging Issues in Professional Services Marketing

**Customer Participation And Knowledge Level: How Will it Affect the Delivery of the Health Care Offering?**
- G. Tomas M. Hult, University of Arkansas at Little Rock
- Bryan A. Lucas, University of Memphis

**Marketing Educational Services to Meet Parent-Student Expectations**
- Oswald A. J. Mascarenhas, University of Detroit Mercy
- Mary A. Higby, University of Detroit Mercy
- Ram Kesavan, University of Detroit Mercy
- Michael J. Dorsch, Clemson University
- William R. Darden, Louisiana State University

**An Evaluation of Market Segments for Dental Care: A Determinant Attribute Approach**
- Zhengyuan Wang, University of Arkansas
- Swinder Janda, University of Arkansas
- C. P. Rao, Old Dominion University

### Elements of Channel Relationships

**A Typology of Disturbances to Buyer-Seller Relationships**
- Timothy C. Johnston, The University of Tennessee

**Effects of Interorganizational Climate on Channel Cooperation**
- Kevin L. Hammond, The University of Tennessee, Martin
- Gene Brown, Louisiana Tech University
- Harry A. Harmon, Central Missouri State University
- Rob Widing II, University of Melbourne

**Trust, Ethics and Relationship Satisfaction**
- Christine Ennew, University of Nottingham
- David Bejou, University of North Carolina at Wilmington
- Adrian Palmer, Leicester Business School

### Positioning in Channel Relationships

**Environmentally-Evoked Uncertainty as an Activator of Power in Channel Relationship**
- Kenneth W. H. Day, Jacksonville State University

**Proposing a Longitudinal Economic Model for Exercising Power in Vertical Channel Relationships**
- S. Altan Erdem, University of Houston, Clear Lake
- Tom K. Massey, Jr., University of Missouri, Kansas City
- Sudakar Pemmanaju, University of Missouri, Kansas City

**A Case Study of a Multinational Bank's Use of Relationship Marketing in Corporate Banking**
- Sanjay S. Mehta, University of North Texas
- Himanshu Tambe, University of Singapore

### Advances in Research on Marketing of Industrial Services

**Information Acquisition and Risk Perception: An Experimental Comparison of Consumer Services and Business Services**
- Adre N. Schreuder, University of Pretoria
Measuring Internal Service Quality: An Exploratory Study
David W. Finn, Texas Christian University
Julie A. Baker, University of Texas, Arlington
Greg W. Marshall, Texas Christian University

251

Non-Quantitative Methods

An Alternative to the Polls: Why a Game Can Predict a Political Race
R. F. Cabaniss, Western Kentucky University
M. Williams, Illinois State University - Normal

252

Direct Mapping of Consumer Responses
R. Adaval, University of Illinois
Eloise Coupey, University of Illinois
S. Narayanan, University of Illinois
D. Sudharshan, University of Illinois

255

Macromarketing in the Global Environment

An Exploratory Investigation into the Role of Formalized Political Activity in International Marketing Strategy
Bruce Keillor, Southwest Missouri State University
Robert H. Luke, Southwest Missouri State University
Gregory W. Boller, University of Memphis

264

Personal and Professional Values Underlying Ethical Decisions: A Comparison of American and Thai Marketers
Anusorn Singhapakdi, Old Dominion University
Kumar C. Rallapalli, Troy State University at Dothan
C.P. Rao, Old Dominion University
Scott J. Vitell, University of Mississippi

269

A Suggested Macro Strategic Plan to Improve U.S. Global Competitiveness into International Markets
Abdalla F. Hagen, Grambling State University
Sammy G. Amin, Frostburg State University

270

Inventory, Price, and Sales Management in the Retailing Environment

An Analysis of Consumer Reactions to an Out-of-Stock Experiment
William Verbeke, Erasmus University, Rotterdam
Paul Farris, The University of Virginia
Roy Thurik, Erasmus University, Rotterdam

275

Price Tier Competition: An Inventory of Research Propositions
K. Sivakumar, The University of Illinois at Chicago

276

Salesperson Types and Their Linkage to Valence, Job Satisfaction, Job Effort, and Propensity to Leave
Keun S. Lee, Hofstra University

277
