Contents

Part I  Biology

The Biology and Anatomy of *Limnoperna fortunei*, a Significant Freshwater Bioinvader: Blueprints for Success ........................................... 3 Brian Morton

Larval Development of *Limnoperna fortunei* ............................................ 43 Daniel H. Cataldo

Parasites of *Limnoperna fortunei* ............................................................... 55 Takashi Baba and Misako Urabe

The Genetics of the Golden Mussel (*Limnoperna fortunei*): Are Genes Related to Invasiveness? ................................................................. 67 Marcela Uliano-Silva, Juliana A. Américo, Rodrigo Brindeiro, Francesco Dondero, Francisco Prosdocimi and Mauro F. Rebelo

Reproductive Output and Seasonality of *Limnoperna fortunei* ................. 77 Demetrio Boltovskoy, Brian Morton, Nancy Correa, Daniel Cataldo, Cristina Damborenea, Pablo E. Penchaszadeh and Francisco Sylvester

Population Dynamics and Growth of *Limnoperna fortunei* ..................... 105 Daisuke Nakano, Takuya Kobayashi and Isamu Sakaguchi

*Limnoperna fortunei* Colonies: Structure, Distribution and Dynamics ......................... 119 Nancy Correa, Paula Sardiña, Pablo V. Perepelizin and Demetrio Boltovskoy

xvii
Part II   Ecology and Environmental Impact

Ecology and Environmental Impact
of Limnoperna fortunei: Introduction .................................................. 147
Demetrio Boltovskoy

Nutrient Recycling, Phytoplankton Grazing, and Associated Impacts of Limnoperna fortunei .......................................................... 153
Demetrio Boltovskoy, Nancy Correa, Francisco Sylvester and Daniel Cataldo

Impacts of Limnoperna fortunei on Zooplankton .................................. 177
Florencia Rojas Molina, Susana B. José de Paggi and Juan César Paggi

Relationships of Limnoperna fortunei with Benthic Animals .................. 191
Francisco Sylvester and Paula Sardiña

Trophic Relationships of Limnoperna fortunei with Larval Fishes .......... 211
Esteban M. Paolucci and Erik V. Thuesen

Trophic Relationships of Limnoperna fortunei with Adult Fishes .......... 231
Daniel Cataldo

Behavior and Taxis of Young and Adult Limnoperna fortunei ............. 249
Keiji Iwasaki

Parallels and Contrasts Between Limnoperna fortunei and Species of Dreissena ................................................................. 261
Alexander Y. Karatayev, Demetrio Boltovskoy, Lyubov E. Burlakova and Dianna K. Padilla

Part III   Distribution and Spread

Distribution and Colonization of Limnoperna fortunei: Special Traits of an Odd Mussel ................................................................. 301
Demetrio Boltovskoy

Distribution and Spread of Limnoperna fortunei in China ................... 313
Mengzhen Xu

Colonization and Spread of Limnoperna fortunei in Japan ................... 321
Kenji Ito
Colonization and Spread of *Limnoperna fortunei* in South America ................................................................. 333
Marcia D. Oliveira, Mônica C. S. Campos, Esteban M. Paolucci,
Maria C. D. Mansur and Stephen K. Hamilton

Strategies and Measures to Prevent Spread of Invasive Species ............ 357
Gustavo Darrigran and Cristina Damborenea

Part IV  Impacts on Man-Made Structures and Biofouling Control

Impacts of *Limnoperna fortunei* on Man-Made Structures and
Control Strategies: General Overview .................................................. 375
Demetrio Boltovskoy, Mengzhen Xu and Daisuke Nakano

Control of *Limnoperna fortunei* Fouling: Antifouling Materials
and Coatings ....................................................................................... 395
Kousaku Ohkawa and Takaomi Nomura

Chemical Strategies for the Control of the Golden Mussel
(*Limnoperna fortunei*) in Industrial Facilities ..................................... 417
Renata Claudi and Marcia Divina de Oliveira

Control of *Limnoperna fortunei* Fouling
by Thermal Treatments ......................................................................... 443
Pablo V. Perepelizin and Demetrio Boltovskoy

Control of *Limnoperna fortunei* Fouling
by Oxygen Deprivation ....................................................................... 451
Pablo V. Perepelizin and Demetrio Boltovskoy

Control of *Limnoperna fortunei* Fouling by Desiccation .................... 455
Luciana Montalto

Alternative Strategies for Control of Golden Mussel
(*Limnoperna fortunei*) in Industrial Facilities ..................................... 463
Renata Claudi and Marcia Divina de Oliveira
Limnoperna Fortunei
The Ecology, Distribution and Control of a Swiftly Spreading Invasive Fouling Mussel
Boltovskoy, D. (Ed.)
2015, XXXI, 476 p. 151 illus., 96 illus. in color., Hardcover
ISBN: 978-3-319-13493-2
