Contents

Using Mobile Devices in Supervision of Graduate Research in Distance Education: A Personal Journey ................................................................. 1
Mokholelana Ramukumba

Technology Integration in Diverse Contexts: Models of Competency-Based Professional Learning in Three School Districts ................................. 15
Kathryn Martin, David Miyashiro, and Tim Baird

Transforming Teaching and Learning: Implications of a One-to-One Laptop Initiative for Professional Learning and Teacher Practices ...................... 31
Veronica García Garza

Rhizomatic Principles in mLearning: A Synthesis of Existing Qualitative Research ................................................................. 46
Lydia Mbati

Mobile Learning in a Flipped Multimedia Higher Education Classroom ................................................................. 58
Chrisna Botha-Ravyse, Seugnet Blignaut, and Martin Booth

Infinite Possibilities for Using Eyetracking for Mobile Serious Games in Order to Improve User Learning Experiences .............................. 70
A. Seugnet Blignaut

A Mobile Game World for Māori Language Learning ................................................................. 84
Tyne Crow and David Parsons

Going Mobile: Using SNSs to Promote STEMI on the Backseat of a Taxi Across Africa ................................................................. 99
Ronald Beyers and Seugnet Blignaut

The Ship Has Left the Harbour, but the Captain is MIA: Mobile Adoption within Higher Education Institutes ................................................................. 111
Verona Leendertz and Marieta Jansen van Vuuren

Use of Web 2.0 and Mobile Technologies for Developing Argumentative Skills ................................................................. 129
Susan Gwee and Shalini Damodaran

Journey of Self-determination: Succeeding Through Mobile Phones ................................................................. 143
Gloria Thupayagale-Tshweneagae and Sambulelwe Sibanda
Facilitating Knowledge Visualisation as Communication and Knowledge Transfer Mechanism in Postgraduate Learning .......................... 156
Judy van Biljon and Karen Renaud

Developing a Sense of Identity as a Governor Within a Mobile Learning Community ......................................................... 172
Susan Gwee and Ek Ming Tan

Small Talk Versus Smart Talk: Providing Accounting Content and Emotional Support in a Distance Education Course .................. 184
Annelien A. van Rooyen and Jacobus S. Wessels

Designs for Heritage Language Learning: A Photography Project in the UK Supplementary Education ........................................ 198
Koula Charitonos and Marina Charalampidi

Introducing an iPad Innovation into Accounting Tutorials .............. 217
Laurel Evelyn Dyson, Jessica K. Frawley, Jonathan Tyler, and James Wakefield

Assimilate or Accommodate? The Need to Rethink Current Use of the Term ‘Mobile Learning’ ............................................... 229
Jocelyn Wishart

Teachers Matter: Challenges of Using a Location-Based Mobile Learning Platform ................................................................. 239
Christian Sailer, Joram Schito, Peter Kiefer, and Martin Raubal

Influencing Everyday Teacher Practices by Applying Mobile Digital Storytelling as a Seamless Learning Approach ..................... 256
Susanna Nordmark and Marcelo Milrad

Towards Design Patterns for Augmented Reality Serious Games ........ 273
Alessandra Antonaci, Roland Klemke, and Marcus Specht

The Adoption of Mobile Technologies in a Higher Education Institution: A Mixed Methods Study ................................................. 283
Apostolos Giannakopoulos and Sunet Eybers

The Utilisation of Mobile Technologies in Higher Education: Lifebuoy or Constriction? ............................................................ 300
Sunet Eybers and Apostolos Giannakopoulos

A Multiple Case Study Approach Exploring Innovation, Pedagogical Transformation and Inclusion for Mobile Learning ............. 315
Kathryn Mac Callum, Stephanie Day, David Skelton, Istvan Lengyl, and Michael Verhaart
