Multiscale Problems in the Life Sciences

Publisher’s Errata

The original version of this chapter unfortunately contained several mistakes. The corrections are given below.

- page XI, line 25: “Links Between” instead of “Lins Between”;
- page 201, line 1: “Links Between” instead of “Lins Between”;
- page 202, Eq. (1): “$\frac{v}{\text{char} c}$” instead of “$\frac{v}{\text{char} c}$”;
- page 263, ref. 31: “Modelling aspects of cancer growth” instead of “Modelling tumour growth”.

Multiscale Problems in the Life Sciences
From Microscopic to Macroscopic
