# Contents

1  **The Morphology of Herpes Simplex Virus Epithelial Keratitis**  
   HSV Cytopathic Effect: Early Changes  
   HSV Cytopathic Effect: Advanced Changes  
   Early HSV In Vivo Lesions: Surface Elevation and Disruption  
   An Advanced HSV In Vivo Lesion: Loss of Substance  
   HSV Lesions: Surface Elevation, Depression, and Fluid Diffusion  
   HSV Lesions: Epithelial and Stromal Fluid Diffusion  
   Rose Bengal Dye Staining of HSV Lesions  
   An HSV Dendritic Figure  
   An HSV Dendritic Figure (Continued)  
   The Origin of HSV Dendritic Figures  
   Various Shapes of HSV Dendritic Figures  
   Some Other Shapes of HSV Lesions  
   Precursors of HSV Geographic Lesions  
   HSV Geographic Lesions  
   A Case of Primary HSV Keratitis  
   Addendum: HSV Conjunctival Lesions  

2  **Healing of Herpes Simplex Virus Epithelial Keratitis Treated with Acyclovir Ointment and Short-Term Sequelae of the Infection**  
   Healing of HSV Epithelial Keratitis with Acyclovir Ointment  
   Healing of HSV Epithelial Keratitis with Acyclovir Ointment: A Treatment Failure  
   Side Effects of Acyclovir Ointment  

3  **Complications, Accompanying Signs, Recurrences, and Long-Term Sequelae of Herpes Simplex Virus Epithelial Keratitis**  
   Case 1. HSV Epithelial Keratitis: A Fresh and an Older Lesion  
   Healing Followed by Epithelial Breakdown and a New Repair (Case 1, cont.)  
   Case 2. Healing of HSV Epithelial Keratitis, Accompanying Signs, and Sequelae  
   Healing of HSV Epithelial Keratitis, Accompanying Signs, and Sequelae (Case 2, cont.)  

vii
Case 3. HSV Epithelial Keratitis and Stromal Infiltrates .................. 49
Case 4. HSV Epithelial Keratitis Preceded by Anterior
Uveitis and Disciform Keratitis ................................. 50
HSV Epithelial Keratitis and Dry Eye (Case 4, cont.) ............... 51
Case 5. Recurrent HSV Epithelial Keratitis in a Patient with Dry Eye . . 52
