## Contents

Living with Sea Level Change and Dynamic Landscapes:  
An Archaeological Perspective ........................................... 1  
*Geoffrey N. Bailey and Geoffrey C. P. King*

History of Ischia Harbour (Southern Italy)  ................. 27  
*Stefano Carlino, Elena Cubellis, Ilia Delizia and Giuseppe Luongo*

“And an Island Never Cries”: Cultural and Societal Perspectives  
on the Mega Development of Islands in the United Arab Emirates  ................. 59  
*Pernilla Ouis*

The Dramatic Drop of the Dead Sea: Background, Rates, Impacts  
and Solutions ................................................................. 77  
*Shahrazad Abu Ghazleh, Abdulkader M. Abed and Stephan Kempe*

The Red Sea–Dead Sea Canal: Its Origin and the Challenges  
it Faces ................................................................. 107  
*Damien Closson, Herbert Hansen, François Halgand,  
Nada Milisavljevic, Frédéric Hallot and Marc Acheroy*

Red Sea Heliohydropower: Bab-al-Mandab Sill Macro-Project  .... 125  
*Roelof D. Schuiling, Viorel Badescu, Richard B. Cathcart,  
Jihan Seoud and Jaap C. Hanekamp*

The Hormuz Strait Dam Macroproject  .............................. 149  
*Roelof Schuiling, Viorel Badescu, Richard Cathcart and Piet van Overveld*

Construction Techniques for Deep-Water Immersed Tunnel Using  
Real-Time Sea Strait Current Forecast  .............................. 167  
*Yukinobu Oda, Kazunori Ito, Takahide Honda and Solomon Yim*
