

Contents

1	Introduction	1
1.1	Authors and Prologue	5
	References	7
2	Understanding GPR via a Simulator	11
2.1	Earth Model	12
2.2	Reflection	15
2.3	Transmission	16
2.4	Refraction	17
2.5	Attenuation	19
2.6	Antenna Beam	21
2.7	Antenna Pulse	26
2.8	Raypaths	28
	References	36
3	Basic GPR Signal Processing	37
3.1	Post Processing Gain	37
3.2	Bandpass Filtering	40
3.2.1	Notch Filters	42
3.2.2	Low Frequency GPR and Bandpass Filtering	42
3.3	Spectral Whitening	43
3.4	Background Removal	46
3.5	Migration	48
3.6	Hilbert Transform	53
3.7	Deconvolution	54
3.8	Resampling	57
3.9	Smoothing/Stacking	57
	References	62

4	GPR Image Construction and Image Processing	63
4.1	Early History of GPR Time Slicing	63
4.2	Image Construction	67
4.2.1	Colorization	72
4.3	Field Practice	74
4.4	Image Processing: Staggering Noise	76
4.5	Zigzag Non-reciprocity	78
4.6	GPS Staggering Noises	79
4.7	Mosaic Noise	82
4.8	Mosaic Noise Correction Methods	83
4.9	Apparent Mosaic Noises: 0 ns Offset Positioning Errors	88
4.10	Decoupled Gridding: Removal of (Shielding) Line Noise	91
4.11	Decoupled Gridding: Enhancing Linear Anomalies in XY Cross Grid Surveys	93
4.12	Image Matrix Operations	95
4.13	2D Fast Fourier Transform: Time Slice Filtering	98
	References	100
5	Overlay Analysis	101
5.1	Introduction: via Application to the Biesterfeldt Site, North Dakota	101
5.2	Discovery at the Japanese Imperial Family Tombs in Miyazaki Prefecture	111
5.3	Discovery at the Nanao Castle Site, Ishikawa Prefecture Japan	116
	References	118
6	Imaging Over Sites with Topography and Vector Imaging	119
6.1	Survey Field Methods	120
6.2	Standard Topographic Correction	121
6.3	Tilt Correction	122
6.4	Level Plane Time Slices	127
6.5	Topographic Imaging on Mounded Tombs Through Graphical Warping	132
6.6	Vector Imaging	137
6.7	Tunnel Imaging	141
	References	141
7	GPR Imaging on Historical Buildings and Structures	143
7.1	San Juan Bautista Cathedral and the Iglesia San Jose Church, Puerto Rico	143
7.2	Sant Pau Historic Site, Barcelona, Spain	146
7.3	GPR Imaging on Ancient Stone Bridges	149
7.4	GPR Measurements on an Ancient Egyptian Statue	153
7.4.1	Processing	154
7.4.2	Results	156
