4 Catastrophic Risks and Reflexes: Some Theoretical Perspectives on the Use of Insurance as a Risk Management Tool for Large Catastrophic Risks

4.1 Introduction

4.2 Market Failure Theory and Its Applicability to the Aviation War Risk Insurance Industry

4.2.1 Markets in Resource Allocation Theory

4.2.2 Early Market Failure Theories

4.2.3 The New Market Failure Arguments

4.2.4 How Market Failure Theories Explain the Behavior of Insurance Markets for Catastrophic Risks

4.2.5 Criticisms of the New Market Failure Arguments

4.3 Behavioural Explanations of the Post-Event Reactions of Extreme Event Insurance Markets

4.3.1 Ambiguity Aversion and Fairness

4.3.2 Irrational Abhorrence

4.4 The Systemic Nature of Aviation War and Terrorism Risks and Its Impact on Their Insurability

4.5 Conclusion

References

5 Enhancing the Insurance of Aviation War and Terrorism Risks Through the Use of Alternative Risk Transfer and Risk Financing Mechanisms

5.1 Introduction

5.2 Funding of Aviation War and Terrorism Risks Through Industry Captives, Risk Retention Groups (RRGs) and Other Mutualization Schemes

5.2.1 Equitime

5.2.2 Eurotime and New Eurotime

5.2.3 Globaltime

5.2.4 The Viability of the Risk Retention Concept in Relation to Aviation War and Terrorism Risks

5.3 Capital Market Solutions for Funding and/or Transferring Aviation War and Terrorism Risks Beyond the Insurance System

5.3.1 Capital Market Alternative Risk Financing Instruments

5.3.2 Capital Market Alternative Risk Transfer Instruments

5.3.3 The Viability of Capital Market ART Solutions Following the Global Credit Crisis of 2007–2009

5.4 Conclusion

7 Governmental Involvement in the Insurance of Aviation War and Terrorism Risks

7.1 Introduction ....................................... 235
7.2 Governmental Involvement in the Provision of Domestic Insurance Coverage for Large Catastrophic Risks in Property and Casualty Lines of Insurance ...................................... 236
7.3 International Cooperation Between States in the Provision of Insurance Coverage for Large Catastrophic Risks ............... 240
7.4 Existing Types of, and Modalities for, Governmental Involvement in the Provision of Insurance Coverage (or Other Support) for Aviation War and Terrorism Risks ........ 245
7.4.1 The U.S. Federal Government’s Aviation War Risk Insurance Program ...................................... 247
7.4.2 The Federal Government of Canada’s Aviation War Risk Indemnity Program ...................................... 253
7.4.3 The Legality of European Governmental Schemes Providing Insurance Coverage/Guarantees to Air Transport Operators for Aviation War and Terrorism Risks Under EU State Aid Regulations ...................... 256
7.5 Rationale for Governmental Involvement in the Provision of Insurance Coverage for Aviation War and Terrorism Risks ...................................... 261
7.6 Limits and Drawbacks of Governmental Involvement in the Provision of Insurance Coverage for Aviation War and Terrorism Risks ...................................... 263
7.7 Conclusion ........................................ 265

7 References ............................................ 266
8 Findings and Conclusions: Towards Sustainable Insurance of Aviation War and Terrorism Risks

8.1 Can the Conventional Insurance Industry Be Expected to Provide Sustainable and Adequate Insurance Coverage to the Global Air Transport Industry for Aviation War and Terrorism Risks?

8.2 Is It Possible to Enhance the Capacity of the Conventional Insurance Industry to Cover Aviation War and Terrorism Risks Through the Use of Alternative Risk Financing and Alternative Risk Transfer Mechanisms?

8.3 Does the Unlawful Interference Compensation Convention of 2009 Provide a Viable, Sustainable and Insurable Solution?

8.4 Do States and Their Governments Have a Role to Play in the Insurance of Aviation War and Terrorism Risks?
