Contents

1 A Study of Rural Livestock and Poultry Breeding Pollution Problems in China’s Urbanization Process ................................. 1
Dan Wu, Weiwen Zhang, and Yuzhe Wu

2 Competition Intensity: An Institutional Perspective on Sustainable Construction .......................................................... 11
Kunhui Ye and Weina Zhu

3 Analysis of Urbanization’s Impaction on Industrial Structure ...... 21
Haizi Wang, Enze Cui, and Dong Zheng

4 On the View of Sustainable Development: The New Urbanization Evaluation and Construction Study of Shaanxi ................. 27
Wenjun Wang and Xiaoxi Hu

5 The Empirical Analysis of Shandong Province’s Urbanization Level ................................................................. 41
Haizi Wang, Dong Zheng, and Enze Cui

6 Measuring the Degree of Rural Victims’ Satisfaction with Concentrated Rural Settlement in Post-disaster Reconstruction in China: A Conceptual Model .......................... 49
Yi Peng, Liyin Shen, Weisheng Lu, and Hongping Yuan

7 Defining Sustainability Requirements for Design-Build (DB) Contractor Selection in Public Sector Projects .......................... 59
Bo Xia, Martin Skitmore, Jian Zuo, Zhenyu Zhao, and Madhav Nepal

Yanjun Zhao, Xiaojun Liu, and Yan Zhao
9 A Comparison of Sustainable Urban Development Indicators Between Major Cities in China .......................... 77
Weijian Ren, Bei He, Jingyang Zhou, Hang Yan, and Liyin Shen

10 Analysis of Feasibility on Integration of High-Rise Building and Wind Power ..................................... 91
Hong Zhou, Qi Wu, and Ding Nan

11 Exploration on Legal Issues of Transfer Market of the Use Right of Collective Construction Land ............. 103
Yongyong Zhu

12 Research on Evaluation of Sustainable Land Use of Resource-Based City Based on Circular Economy—A Case Study of Shuozhou City ........................................... 109
Ling Zhou, Chun Yuan, and Yuzhe Wu

13 Study on the Proportion of Industrial Land in City of Zhejiang Province ............................................. 121
Lei Shi, Yuzhe Wu, and Xiaoling Zhang

14 Empirical Study of the Influence of Urban Major Events on Land Use—with Shanghai Airport Park as an Example .... 131
Yao Ni

15 A Study on Obstacle Diagnosis and Support System of Sustainable Urban Land Use of Huangshi City in Hubei Province ................................................................. 139
Ping Shen, Heyuan You, and Cifang Wu

16 Theory and Practice of Urban Renewal: A Case Study of Hong Kong and Shenzhen ............................. 147
Guoliang Ou and Gang Wu

17 Land Reserve Patterns Selection of Brown Land: A Case Study of the Old Industrial Land Along the Zhujiang River in Guangzhou China ......................................................... 155
Wenzhu Zhang, Ran Wang, Ting Yuan, and Zhigang Wu

18 A Comparative Study of the Measurement Methods of Real Estate Bubbles ........................................ 175
Shenghua Jia and Hang Li

19 Applications of Artificial Neural Networks in the Identification of Real Estate Cycles: Evidence from China .......... 185
Yang Li, Hong Zhang, Fei Yang, and Yue Wang

20 Impacts of China’s Monetary Policy on Development Investment of Different Uses Properties .................. 197
Yue Wang and Hong Zhang

57 How the Administrative and Market Forces Influence Organization Evolution – A Case Study on Megaproject Management ........... Yun Le, Zhao Zhai, and Jianxun Xie

58 Investment-Cash Flow Sensitivities: Evidence from China Listed Real Estate Operating Companies .................. Jiawei Lu and Shenghua Jia

60 The Comparison About the Nominated Subcontractor Between China and Foreign Construction Contracts ........... Hong Zhang, Fengjiao Sun, and Xingfang Li

61 The Empirical Study of Commercial Real Estate Market Structure and Performance Based on SCP Theory ........ Qunhong Liu and Jing Gao

63 Getting Out of the Land Financial Predicament – A Systematic Thinking .......................................................... Pengfei Yang, Dong Zheng, and Enze Cui

64 Empirical Analysis on Transfer and Limitation of Land Contractual Management Right–Based on a Survey of 506 Farmer Households in Zhejiang, Jiangxi and Guangxi ...................... Xiuqing Zou and Mengsi Zhou

65 A New Integrated Index for Urban Quality of Life Based on Estimated WTP from Housing Market .............. Yingjie Zhang, Yuan Zhang, and Antoine Nguyen

66 The Evolution of Chinese Commercial Property Market .......... Qiulin Ke

67 The Empirical Analysis to the Improvement of Local Finance System by the Full-Scale Taxation of the Real Property ........ Weidong Qu, Wei Yang, Shuo Yang, and Jiajia Wang

68 An Evaluation of Students’ Satisfaction with University Hall of Residence .................................................. C.O. Aigbavboa, W.D. Thwala, and C.C. Eke
Proceedings of the 18th International Symposium on Advancement of Construction Management and Real Estate
Yang, D.; Qian, Y. (Eds.)
