      2.4.2 Children’s rights perspective .................................48
      2.4.3 The right to health ..............................................50
  2.5 Universal rights of physical integrity versus cultural
      relativism......................................................................51

3 FGM in Burkina Faso....................................................59
  3.1 Socio-economic conditions ..........................................59
  3.2 Types and appearances of FGM in Burkina Faso.............61
  3.3 Statistics on FGM in Burkina Faso ...............................62
  3.4 Reasons for the continuation of FGM in Burkina Faso, with
      examples from other African countries.......................64
  3.5 Attempts to abandon FGM in Burkina Faso..................72
      3.5.1 Strategies and challenges of tightening the law .........72
      3.5.2 National and international engagements against FGM
          in Burkina Faso....................................................77

4 Film as a tool for Human Rights Education (HRE)?...........83
  4.1 A short introduction on HRE.........................................83
  4.2 Films and human rights..............................................86
5 Ciné débat

5.1 Ciné débat as an innovative tool for awareness-raising

5.2 Experiences with ciné débats

5.3 Traditional communication in Burkina Faso, a basis for social change

5.3.1 Joking relationships

5.3.2 Palaver

5.4 Applying a film to the target viewers

Part two: Methodology

6 Research design: Participatory Action Research (PAR)

6.1 Why use the PAR approach?

6.2 Research Structure

6.2.1 Qualitative Research

6.2.2 Triangulation

7 Film production

7.1 Access to the field - Preconditions for the production of the film

7.2 Sampling – interviews with the protagonists of the film

7.3 Editing the film L’excision, un thème pour tout le monde

7.4 Screening of the documentary with its protagonists

7.5 Evaluation of the documentary during a workshop

7.5.1 Execution of the workshop with local experts

7.5.2 Adjusting the strategy – Outcomes of the workshop

8 Film presentation

8.1 Access to the field - Implementing ciné débats in five villages

8.2 Operational structure of ciné débats

8.3 Sampling – Project partners for the execution of the ciné débats

8.3.1 Members of the Association Féminine Song-Manegré pour le Développement (AFD)

8.3.2 Clubs d’écoute

8.4 Research techniques

8.4.1 Research techniques during the implementation of the ciné débats

8.4.2 Follow-up: two years after the ciné débats

16.2.2 What needs to be considered when making a film for presentation in ciné débat .................................................. 226
16.2.3 How to apply ciné débat .................................................... 228
16.2.4 Knowing the needs of the target group – How to approach the locals ................................................................. 231
16.2.5 Approaching local authorities as a prerequisite for easier access to the villages ..................................................... 236
16.2.6 Organisation of screenings ............................................... 240
16.2.7 Repeated discussions in the villages ............................... 244
16.2.8 Challenges during interactions in the field ....................... 245
16.3 Possibilities and essential characteristics of the film
L’excision, un thème pour tout le monde .................................. 252
16.4 Recapitulation of central aspects ........................................ 256
### Part four: Results from the execution of the ciné débats

#### 17 Implementation of the ciné débats
- 17.1 Outcomes of the questionnaire
- 17.2 Participant observation and findings from the SWOT
- 17.3 Outcomes of discussions with members of the clubs d’écoutes
- 17.4 Recapitulation of central aspects

#### 18 Main subjects during the ciné débats
- 18.1 FGM and its consequences
- 18.2 The role of women in society
  - 18.2.1 Lack of desire for sexual intercourse leads to marital friction
  - 18.2.2 FGM keeps women from having illegitimate sexual intercourse
  - 18.2.3 Having children as an indicator for the acceptance of women in the community
  - 18.2.4 Unhealthy women are excluded from the community
  - 18.2.5 Women’s fears of not complying with traditional gender roles
- 18.3 How can FGM be counteracted?
  - 18.3.1 Education
  - 18.3.2 Involving elders and heads of families
- 18.4 References by the AFD team and the audiences
- 18.5 Recapitulation of central findings

#### 19 Follow-up evaluation two years later
- 19.1 Questionnaire for the clubs d’écoutes
- 19.2 Final interview with AFD representatives
- 19.3 Recapitulation of central aspects

### Part five: Summary and conclusions

#### 20 Outcomes
- 20.1 The inclusion of the community as an inevitable factor for engaging against FGM in Burkina Faso
- 20.2 The eradication of FGM as a first step in changing the perception of the woman’s role in society
