## Contents

1 **Overview** .................................................. 1  
Reza Zanjirani Farahani, Nasrin Asgari, and Hoda Davarzani  
1.1 Definition of Logistics .................................. 1  
1.2 Definition of SCM ....................................... 3  
1.3 Background of Logistics and SCM Researches .............. 5  
1.4 Obstacles, Pre-Requisites and Infrastructures of Modernized Logistics and SCM ........................... 7  
1.5 Challenges of Union Countries and Global SCM .............. 9  
1.6 Logistics and SCM in Developing Countries .................. 11  
1.7 Research Trends in Logistics and SCM ...................... 14  
References ........................................................ 18  

2 **Performance Measurement** ................................. 21  
Sara Sharahi and Maryam Abedian  
2.1 Importance of Measurement ................................ 21  
2.2 Properties of Performance Measures ............................ 22  
2.3 Process Management System Analysis .......................... 23  
2.4 Process-Oriented Approach ................................... 24  
2.4.1 SCOR Model Level One Performance Measure  
(Huang et al. 2005) ................................................. 24  
2.4.2 Measurement in Strategic, Tactical and Operational  
Levels (Gunasekaran et al. 2004) ............................... 26  
2.4.3 SCP in Transport Logistics (Lai et al. 2002) ........... 29  
2.4.4 Taxonomy of Measure of SCP in More Detail  
(Shepherd and Gunter 2006) ..................................... 31  
2.5 Goal-Oriented Approach ..................................... 35  
2.5.1 Six Perspectives to Measure the Performance of SCM  
(Otto and Kotzab 2003) ......................................... 35  
2.5.2 Performance Measures of Perspectives .................... 35  
2.6 Attributes of National Logistics Systems ................... 37

Privatization

Ameneh Moharrehayi Esfahani, Sara Hosseini, and Hoda Davarzani

7.1 A Literature Review on Privatization and its Definition

7.2 Steps to Privatization (Shehadi 2002)

7.2.1 First Phase: Getting Ready

7.2.2 Second Phase: Moving to Sale

7.3 Privatization Methods

7.3.1 Asset Sale or Long Term Lease

7.3.2 Contracting Out (Outsourcing)

7.3.3 Corporatization

7.3.4 Franchise

7.3.5 Internal Market

7.3.6 Joint Venture

7.3.7 Management Contracts

7.3.8 Private Infrastructure Development and Operation

7.3.9 Partnership

7.3.10 Public–Private-Partnership (PPP)

7.3.11 Anchor Investor Sales

7.3.12 Performance Based Contract

7.3.13 Self-Help

7.3.14 Volunteers

7.3.15 Vouchers

7.4 Selecting the Appropriate Method (Shehadi 2002)

7.5 Impact of Privatization (Shehadi 2002)

7.6 Managing Privatization Program

7.7 New Opportunities

7.8 Challenges (See http://www.knownet.hhs.gov)

7.9 Case Studies

7.9.1 Port Privatization, Efficiency and Competitiveness (Heng 2005)
Contents

7.9.2 Rice Milling and Textile Industry in Egypt after Privatization .............................................. 151
7.9.3 Textile and Garments ........................................ 151
7.9.4 Institutional and Structure Changes in Air Navigation Service-Providing Organizations (Button and McDougall 2006) .................................................. 152
7.9.5 Bank Privatization in Argentina (Clarke and Cull 2005) . . 154
7.10 Conclusion ................................................................ 155
