# Contents

1 Introduction to Coteaching ................................................................. 1  
Colette Murphy and Kathryn Scantlebury

## Part I Large-Scale Studies of Coteaching

2 A Five-Year Systematic Study of Coteaching Science  
in 120 Primary Schools ............................................................................. 11  
Colette Murphy and Jim Beggs

3 Researching the Use of Coteaching in the Student  
Teaching Experience ................................................................................. 35  
Nancy Bacharach, Teresa Washut Heck, and Kathryn Dahlberg

## Part II Theory into Practice

4 Coteaching in Science Education Courses: Transforming  
Teacher Preparation Through Shared Responsibility ......................... 57  
Christina Siry and Sonya N. Martin  
*with* Shelley Baker, Nicole Lowell, Jenna Marvin, and Yushaneen Wilson

5 Producing and Maintaining Culturally Adaptive Teaching  
and Learning of Science in Urban Schools ............................................. 79  
Kenneth Tobin and Rey Llena

## Part III Coteaching Contexts

6 Risk-Taking as Practice in a Coteaching Professional  
Learning Community ............................................................................. 109  
Jennifer Gallo-Fox

7 Enactment of Coteaching in Primary Schools:  
Moving Towards a Shared Responsibility ................................................. 129  
Karen Carlisle
