Contents

Part I  Conceptual Profiles: Theoretical, Epistemological, and Methodological Bases of a Research Program

1 Conceptual Profiles: Theoretical-Methodological Bases of a Research Program ................................................................. 3
Eduardo F. Mortimer, Phil Scott, Edenia Maria Ribeiro do Amaral, and Charbel N. El-Hani

2 The Epistemological Grounds of the Conceptual Profile Theory ...... 35
Charbel N. El-Hani, Waldomiro José da Silva-Filho, and Eduardo F. Mortimer

3 Methodological Grounds of the Conceptual Profile Research Program ................................................................. 67
Eduardo F. Mortimer, Charbel N. El-Hani, Cláudia Sepulveda, Edenia Maria Ribeiro do Amaral, Francisco Ángelo Coutinho, and Fábio Augusto Rodrigues e Silva

Part II  Empirical Studies for Building and Using Conceptual Profile Models for Chemical, Physical, and Biological Ontoconcepts

4 Contributions of the Sociocultural Domain to Build a Conceptual Profile Model for Molecule and Molecular Structure ................................................................. 103
Eduardo F. Mortimer and Luiz Otávio F. Amaral

5 Building a Profile for the Biological Concept of Life .................... 115
Francisco Ángelo Coutinho, Charbel N. El-Hani, and Eduardo F. Mortimer
6 Investigating the Evolution of Conceptual Profiles of Life Among University Students of Biology and Pharmacy: The Use of Statistical Tools to Analyze Questionnaire Answers................................................................. 143 Fábio Augusto Rodrigues e Silva, Eduardo F. Mortimer, and Francisco Ângelo Coutinho

7 Conceptual Profile of Adaptation: A Tool to Investigate Evolution Learning in Biology Classrooms........................................... 163 Claudia Sepulveda, Eduardo F. Mortimer, and Charbel N. El-Hani

8 A Conceptual Profile of Entropy and Spontaneity: Characterising Modes of Thinking and Ways of Speaking in the Classroom...................................................................................... 201 Edenia Maria Ribeiro do Amaral, Eduardo F. Mortimer, and Phil Scott

Part III Recent Developments in the Research Program

10 Conceptual Profile as a Model of a Complex World............... 263 Cristiano Rodrigues de Mattos

11 Building a Profile Model for the Concept of Death.................. 293 Aline Andréa Nicolli and Eduardo F. Mortimer

Contributors .................................................................................................... 323
