Contents

Part I Introduction ......................................................................................................................... 1

1 Summaries of the Contributions and a Few Considerations .................. 3
   I. Peter Martini and Ward Chesworth

2 A Semantic Introduction .................................................................................. 19
   Ward Chesworth

3 Womb, Belly and Landscape in the Anthropocene ................................. 25
   Ward Chesworth

Part II The Mediterranean and European World–Arid Mediterranean Lands .................................................................................................. 41

4 Human Responses to Climatically-driven Landscape Change and Resource Scarcity: Learning from the Past and Planning for the Future .............................................. 43
   Nicholas Brooks

5 Human Communities in a Drying Landscape: Holocene Climate Change and Cultural Response in the Central Sahara ..................... 67
   Mauro Cremaschi and Andrea Zerboni

6 The Desertification of the Egyptian Sahara during the Holocene (the Last 10,000 years) and Its Influence on the Rise of Egyptian Civilization .............................................................. 91
   Michael Brookfield

7 Paleoenvironments and Prehistory in the Holocene of SE Arabia........ 109
   Andrew S. Goudie and Adrian G. Parker

8 Human Paleoeconomy in the Ancient Metal-Smelting and Farming Complex in the Wadi Faynan, SW Jordan, at the Desert Margin in the Middle East .............................................. 121
   Chris Hunt and Hwedi el-Rishi

9 Empire and Environment in the Northern Fertile Crescent ............... 135
   Tony J. Wilkinson
Part III  The Mediterranean and European World–Warm-Temperate Mediterranean Lands

10 The Interplay between Environment and People from Neolithic to Classical Times in Greece and Albania
   Eric Fouache and Kosmas Pavlopoulos

11 The Nuragic People: Their Settlements, Economic Activities and Use of the Land, Sardinia, Italy
   Anna Depalmas and Rita T. Melis

12 Floods, Mudflows, Landslides: Adaptation of Etruscan–Roman Communities to Hydrogeological Hazards in the Arno River Catchment (Tuscany, Central Italy)
   Marco Benvenuti, Cristina Bellini, Gianfranco Censini, Marta Mariotti-Lippi, Pasquino Pallecchi, and Mario Sagri

13 Landscape Influences on the Development of the Medieval–Early Renaissance City-states of Pisa, Florence, and Siena, Italy
   I. Peter Martini, Giovanni Sarti, Pasquino Pallecchi, and Armando Costantini

14 Paleo-Hazards in the Coastal Mediterranean: A Geoarchaeological Approach
   Christophe Morhange and Nick Marriner

15 Mount Etna, Sicily: Landscape Evolution and Hazard Responses in the Pre-industrial Era
   David K. Chester, Angus M. Duncan, and Peter A. James

Part IV  The Mediterranean and European World–Cool-Temperate European Lands

16 Romanian Carpathian Landscapes and Cultures
   Adrian Cioacă and Mihaela S. Dinu

17 Sea-Level Rise and the Response of the Dutch People: Adaptive Strategies Based on Geomorphologic Principles Give Sustainable Solutions
   Pieter D. Jungerius

18 Perception of Volcanic Eruptions in Iceland
   Thorvaldur Thordarson

Part V  South and East Asia

19 Holocene Environmental Changes and the Evolution of the Neolithic Cultures in China
   Duowen Mo, Zhijun Zhao, Junjie Xu, and Minglin Li

20 Landscape and Subsistence in Japanese History
   Gina L. Barnes
21 Evolution of Hydraulic Societies in the Ancient Anuradhapura Kingdom of Sri Lanka ................................................................. 341
   P. B. Dharmasena

22 Disease in History: The Case of the Austronesian Expansion in the Pacific ................................................................. 353
   Robert Sallares

Part VI Central and North America ........................................................ 367

23 Farms and Forests: Spatial and Temporal Perspectives on Ancient Maya Landscapes ................................................................. 369
   Nicholas P. Dunning and Timothy Beach

24 Water Follows the People: Analysis of Water Use in the Western Great Plains and Rocky Mountains of Colorado, USA ................. 391
   Ellen Wohl

25 Frozen Coasts and the Development of Inuit Culture in the North American Arctic ................................................................. 407
   Robert W. Park

Glossary ............................................................................................................. 423

Index .................................................................................................................. 441

Color Plate Section ........................................................................................... 469
Landscapes and Societies
Selected Cases
Martini, I.P.; Chesworth, W. (Eds.)
2011, XVIII, 478 p., Hardcover
