Contents

1 Introduction ................................................................. 1
M. Dinesh Kumar and P.K. Viswanathan

2 Water Saving and Yield Enhancing Micro Irrigation
Technologies in India: Theory and Practice .................. 13
M. Dinesh Kumar

3 State of Adoption of Drip Irrigation for Crops Cultivation
in Maharashtra ............................................................. 37
A. Narayanamoorthy

4 Micro-irrigation in Karnataka: Potential and Constraints
for Adoption ............................................................... 59
Elumalai Kannan

5 State of Development and Adoption of Micro Irrigation
Systems in Gujarat .......................................................... 71
P.K. Viswanathan, Jharna Pathak and Chandra Sekhar Bahinipati

6 ‘Wet’ Water Saving and Social Benefits from Micro Irrigation:
A Study from IGNP Command Area in Rajasthan .............. 91
M. Dinesh Kumar

7 Social Benefit Cost Analysis of Drip Irrigation ................. 113
D. Suresh Kumar

8 Determinants of Adopting and Accessing Benefits of Water
Saving Technologies: A Study of Public Tube Wells with MI
Systems in North Gujarat ............................................... 133
Chandra Sekhar Bahinipati and P.K. Viswanathan

9 Managing Groundwater Energy Nexus in India: The Curious
Case of Using Solar Irrigation Pumps with Drip Systems ....... 155
Nitin Bassi
Micro Irrigation Systems in India
Emergence, Status and Impacts
Viswanathan, P.K.; Kumar, M.D.; Narayanamoorthy, A.
