1 Introduction ................................................................. 1
  1.1 Cultural Competence Defined ........................................ 1
  1.2 Cultural Competence-Related Terms .............................. 3
  1.3 The Historical Development of Cultural Competence .......... 3
  1.4 What Does Cultural Competence Encompass .................... 4
  1.5 A Multilevel Framework for Cultural Competence
     in Healthcare ........................................................... 5
  1.6 The Purpose of This Book ........................................... 6
  1.7 The Objectives of This Book ......................................... 6
  1.8 Structure of the Book ................................................ 7
     1.8.1 Chapter 2: The Drivers of Cultural Competence ........... 7
     1.8.2 Chapter 3: Methods ............................................. 7
     1.8.3 Cultural Competence: A Multilevel,
          Systematic Scoping Review .................................... 7
     1.8.4 Chapter 4: Health Workforce Development Interventions
          to Improve Cultural Competence ............................... 8
     1.8.5 Chapter 5: Cultural Competence Education and Training
          Interventions for Health and Medical Students ............ 8
     1.8.6 Chapter 6: Programs and Services to Improve Cultural
          Competence in Healthcare ........................................ 8
     1.8.7 Chapter 7: Health Organisation and System Cultural
          Competence Interventions ....................................... 9
     1.8.8 Chapter 8: Cultural Competence Strengths, Weaknesses
          and Future Directions ............................................ 9
     1.8.9 Chapter 9: Multilevel Cultural Competence Intervention
          Implementation and Evaluation Framework ................... 9
References ................................................................. 9
2 The Drivers of Cultural Competence

2.1 Introduction: The Conceptual Underpinnings of Cultural Competence

2.1.1 Pathway 1: Cultural or Sociocultural Differences

2.1.2 Pathway 2: Healthcare Disparities

2.2 Pathway 1: Culture and Sociocultural Differences

2.2.1 What Is Culture?

2.2.2 Sociocultural Differences and Healthcare Appropriateness

2.2.3 Conflating Culture with Ethnicity and Race

2.2.4 Worldviews, Language and Healthcare Appropriateness

2.2.5 Increasing Population Diversity

2.3 Pathway 2: Disparities in Healthcare Treatment and Quality

2.3.1 The Role of Bias in Healthcare Disparities

2.3.2 The Social Determinants of Health

2.3.3 Racism as a Social Determinant of Health

2.3.4 Colonisation as a Social Determinant of Health

2.4 The Centrality of Power, Voice and Control

2.5 Summary: Complexity in the Cultural Competence Conceptual Landscape

2.6 Conclusion

References

3 Methods

3.1 Introduction

3.2 Inclusion/Exclusion Criteria

3.3 Search Strategy

3.3.1 Identification, Screening and Inclusion of Publications

3.3.2 Data Extraction and Analysis

3.3.3 Limitations of the Review

References

4 Health Workforce Development Interventions to Improve Cultural Competence

4.1 Background

4.2 Characteristics of Workforce Development Interventions

4.3 Cultural Competence Workforce Development Intervention Strategies

4.3.1 Cultural Competence Training

4.3.2 Professional Development Interventions

4.3.3 Delivery Mode

4.4 Intervention Outcomes

4.5 Measurement and Study Quality

4.6 Conclusion
