Contents

Structural Strengthening and Retrofit; Motivations, Concepts and Approaches .............................. 1
Giorgio Macchi, Gian Michele Calvi and Timothy John Sullivan

Cultural Heritage Monuments and Historical Buildings:
Conservation Works and Structural Retrofitting ............... 25
Romeu Vicente, Sergio Lagomarsino, Tiago Miguel Ferreira,
Serena Cattari and J.A.R. Mendes da Silva

Strengthening of Stone and Brick Masonry Buildings .............. 59
Francesca da Porto, Maria Rosa Valluzzi, Marco Munari,
Claudio Modena, António Arêde and Alexandre A. Costa

Seismic Retrofit of Adobe Constructions .......................... 85
Julio Vargas-Neumann, Cristina Oliveira, Dora Silveira
and Humberto Varum

Repair and Strengthening of Traditional Timber Roof and Floor
Structures .................................................................. 113
Jorge M. Branco, Thierry Descamps and Eleftheria Tsakanika

Strengthening of RC Buildings with Steel Elements ................. 139
J.M. Castro, M. Araújo, M. D’Aniello and R. Landolfo

Strengthening of RC Buildings with Composites ................... 163
Giorgio Monti and Floriana Petrone

Structural Repair and Strengthening of RC Elements
with Concrete Jacketing ........................................... 181
H. Rodrigues, P.M. Pradhan, A. Furtado, P. Rocha and N. Vila-Pouca

Strengthening of RC Bridges ....................................... 199
Pedro Delgado and Andreas Kappos
