

Contents

1 Education: The Need for Revitalisation	1
Introduction.....	1
A New View of Practices	3
Practices as Formed in Intersubjective Spaces: Semantic, Material and Social	5
Changing Practices Requires Transforming Intersubjective Spaces	7
A Guiding Question.....	9
The Organisation of the Book	11
The Study	13
Philosophical Empirical Inquiry.....	13
The Case Studies	16
Analysis	21
Conclusion.....	22
References	23
2 Praxis, Practice and Practice Architectures	25
Introduction.....	25
Praxis and Education: Educational Praxis.....	25
Practice.....	28
Language Games, Activities and Practices.....	28
The Theory of Practice Architectures.....	31
Site Ontologies	33
Conclusion.....	37
References	40
3 Ecologies of Practices	43
Introduction.....	43
Critiquing the Notion of ‘Ecologies of Practice’.....	44
Ecologies of Practices as ‘Living’ Systems.....	47
Ecologies of Practices in the Education Complex	50
Concluding Comments.....	52
References	53

4 Student Learning: Learning Practices	55
Introduction.....	55
Learning as Initiation Into Practices	56
Learning How to Go on in Practices: A Wittgensteinian View of Learning.....	57
Learning as Being ‘Stirred in’ to Practices.....	58
Practice Architectures and the Practice of Learning	61
Sarah’s Lesson: What Did the Students Learn About and Through Writing Expository Texts?.....	61
Annie’s Moving Diagram: Tracing a Learning Journey over Time	68
Analysis: Annie’s Moving Diagram	75
Practices of Learning in Ecologies of Practices	82
Student Learning and Teaching	82
Student Learning and Professional Learning	84
Learning and Leading.....	85
Student Learning and Researching.....	86
Practices of Learning and Site Based Education Development.....	87
Conclusion.....	89
References.....	90
5 Teaching: Initiation Into Practices	93
Introduction.....	93
Practice Architectures of Teaching at Hillview.....	100
Practice Architectures of an Inquiry Approach to Teaching.....	102
Practice Architectures of Teaching at Hillview: An Inquiry Approach in Kindergarten	104
Practice Architectures of Teaching at Southwood: The Community Garden.....	112
Teaching Practices in Ecologies of Practices.....	118
Practices of Teaching and Site Based Education Development.....	123
Conclusion.....	124
References.....	125
6 Professional Learning as Practice Development	127
Introduction.....	127
Projects in Professional Learning for Practice Development	128
The Practice Architectures of Professional Learning as Practice Development	130
Cultivating a Culture of Care and Collaboration.....	130
Exercising Agentic Collegial Responsibility.....	136
Deprivatising Practice	140
Professional Learning in Ecologies of Practices.....	143
Connections Between Professional Learning and Teaching, Leading and Researching Practices	146

Professional Learning and Site Based Education Development.....	152
Conclusions.....	153
References.....	154
7 Practising Leading.....	157
Introduction.....	157
Practices Architectures of Leading.....	160
Staff Meetings as an Intersubjective Space for Enabling Practice Development.....	160
Site Based Leading Practices.....	166
Students' Leading Practices.....	168
Systemic Leading Practices.....	171
Site Based Leading: Leading Practices (in Ecologies of Practices).....	174
Conclusion.....	176
References.....	178
8 Researching as a Practice-Changing Practice.....	179
Introduction.....	179
Site Based Projects of Researching Practice.....	182
Practice Architectures that Enable Researching Practice:	
Northton School.....	184
Practice Architectures that Enable Researching Practice: Westville.....	188
Practice Architectures that Enable Researching Practice: Hillview School.....	193
Researching in Ecologies of Practices.....	196
Ecological Connections Between the Practices of Researching, Critically Reflecting and Evaluating.....	196
The Practices of Researching Shaping Leading Practices.....	199
Researching (Critically Reflecting and Evaluating) for—and as—Professional Learning.....	200
Researching Shaping Changes to Teaching Practices.....	201
Researching to Improve Student Learning Practices.....	201
Site Based Education Development: Practices of Researching Fostering a Praxis Orientation.....	202
References.....	203
9 Revitalising Education: Site Based Education Development.....	205
Introduction.....	205
Some Key Findings.....	207
Site Based Educational Development.....	208
What is Site Based Education Development?.....	212
Site Based Educational Development in Ecologies of Practices.....	216
Site Based Education Development: Conclusions.....	217
References.....	222

Appendix	223
Analysing Practices Using the Theories of Practice Architectures and Ecologies of Practices: An Example	223
Analysing Practices Using the Practice Architectures Framework.....	223
Some Notes About Analysing Social Life Using the Theory of Practice Architectures.....	224
A Caveat	227
Transcript and Analysis: Sarah’s Lesson on Expository Text with a Year 5–6 Class	229
Episode 1: Introduction to the Lesson: Review of Past Lessons on the Topic	230
Analysis of Episode 1	233
Episode 2: Preparation for the task for this lesson: Writing an expository text	235
Analysis: Episode 2	244
Episode 3: Introducing the group task of writing an expository text	249
Analysis: Episode 3	251
Episode 4: Students work in groups to draft an expository text.....	255
Analysis: Episode 4	255
Episode 5: Representatives of groups report on their draft expository texts.....	257
Analysis: Episode 5	260
Analysing Practices Using the Theory of Ecologies of Practices	262
Ecologies of Practice Evident or Implied in Sarah’s Lesson.....	271
Conclusion.....	271
Index	273
