Co-owned by

German Chemical Society

Société Chimique de France

Spanish Society for Analytical Chemistry

Royal Spanish Society of Chemistry

Austrian Society of Analytical Chemistry

Division of Analytical Sciences
of The Swiss Chemical Society

Italian Chemical Society

Polish Chemical Society

Editors

Antje J. Baumner, Germany
Hua Cui, China
Philippe Garrigues, France
Günter Gauglitz, Germany
Gérard Hopfgartner, Switzerland
Luigi Mondello, Italy

Maria C. Moreno-Bondi, Spain
David C. Muddiman, USA
Stephen A. Wise, USA
Lihua Zhang, China

Chair Editor

Adam T. Woolley, USA

Supported by

- Division of Analytical Chemistry of the German Chemical Society (GDCh)
- Gesellschaft für Biochemie und Molekularbiologie e.V. (GBM)
- Division of Analytical Chemistry of the EuCheMS (DAC/EuCheMS)
- The Society for Chromatographic Sciences (SCS, Japan)
- Chinese Society of Chromatography (CSC)
- The Analytical Division of the Swedish Chemical Society
- Committee on Analytical Chemistry of the Polish Academy of Sciences (KChA)
- Hungarian Chemical Society (HCS)
- Czech Chemical Society (CSCH)
- Analytical Chemistry Division of the Slovak Chemical Society

and an International Advisory Board

ABC – The society journal for rapid publication and global visibility of analytical research

ABC's mission is the rapid publication of excellent and high-impact research articles on fundamental and applied topics of analytical and bioanalytical science. Its scope is broad, and ranges from novel measurement platforms and their characterization to multidisciplinary approaches that effectively address important scientific problems.
