

Acknowledgement to Reviewers 2016

© Springer-Verlag Berlin Heidelberg 2017

The Editors would like to thank the following colleagues who served as reviewers for the Journal of Neurology in 2016. Their efforts, insight and advice were essential in maintaining the high scientific standard of the journal. Those colleagues who reviewed 5 or more manuscripts have been asterisked, a special thanks to them.

Abrahams, Sharon	Bajaj, Narinder	Bleasel, Andrew
