**FINANCIAL DISCLOSURE/CONFLICT OF INTEREST**

I certify that any financial interests such as employment, stock ownership, honoraria, paid expert testimony, as well as any personal relationships, academic competition, and intellectual passion which may inappropriately influence my actions, **have been included within my manuscript**. If none exist, a statement specifying this has also been included. I have used the statement template as shown below, as appropriate.

Conflict of Interest:

Author X declares that he has no conflict of interest.

Author Y has received research grants from Drug Company A.

Author Z has received a speaker honorarium from Drug Company B and owns stock in Drug Company C.

*If multiple authors declare no conflict, this can be done in one sentence:*

Author X, Author Y, and Author Z declare that they have no conflict of interest.

All funding sources supporting the work and all institutional or corporate affiliations of mine are acknowledged in a footnote.

I have had full access to all the data in the study (if applicable) and thereby accept full responsibility for the integrity of the data and the accuracy of the data analysis.

By checking the box next to my signature I assert that there are no conflicts of interest (both personal and institutional) regarding specific financial interests that are relevant to the work conducted or reported in this manuscript.
