INTERNATIONAL UROGYNECOLOGY JOURNAL
Authorship and Copyright and Financial Disclosure/Conflict of Interest Form
(NOTE: MUST BE SUBMITTED AT THE TIME OF ONLINE MANUSCRIPT SUBMISSION)

Article title: ________________________________________________________________

Corresponding Author: __________________________________ E-mail: ____________

The author(s) guarantee(s) that the manuscript will not be published elsewhere in any language without the consent of the copyright holder(s), that the rights of third parties will not be violated, and that the publisher will not be held legally responsible should there be any claims for compensation.

The Author of the Article as specified herein, hereby transfers copyright to Springer (respective to owner if other than Springer and for U.S. government employees: to the extent transferable) effective if and when the article is accepted for publication. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature. **Authors employed by the U.S. Federal Government are exempt from Copyright Transfer.**

Authors may self-archive the author’s accepted manuscript of their articles on their own websites. **Authors may also deposit this version of the article in any repository, provided it is only made publicly available 12 months after official publication or later.** He/she may not use the publisher’s version (the final article), which is posted on SpringerLink and other Springer websites, for the purpose of self-archiving or deposit. Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer’s website. The link must be accompanied by the following text: “The final publication is available at link.springer.com”.

Please use the appropriate DOI for the article (go to the Linking Options in the article, then to OpenURL and use the link with the DOI). Articles disseminated via SpringerLink are indexed, abstracted, and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

After submission of this agreement signed by all authors, changes of authorship or in the order of the authors listed will not be accepted by Springer.

AUTHORSHIP

I, the undersigned author(s), certify that:

- I have seen and approved the final version of the manuscript, and all subsequent versions.
- I have made substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
- I have drafted the article or revised it critically for important intellectual content

I accept public responsibility for it, and believe it represents valid work. As an author of this article, I certify that none of the material in the manuscript has been previously published, nor is it included in any other manuscript. I certify that this manuscript is not under consideration for publication elsewhere, nor has it been submitted or accepted in another publication in any form. The rights or interest in the manuscript have not been assigned to any third party.

Moreover, should an editor of the **International Urogynecology Journal** request the data upon which the manuscript is based, I shall produce it. I also certify that I have read and complied with the copyright information, as found on the **International Urogynecology Journal** homepage website.
It is the policy of the **International Urogynecological Association** (“IUGA”) and the **International Urogynecology Journal** to ensure balance, independence, objectivity and scientific rigor in all submissions to the **International Urogynecology Journal**. A potential for bias may exist if the author(s) are affiliated with or has a financial interest in any organization(s) that may have a direct interest in the subject matter of the manuscript submitted. Situations involving potential bias are not inherently problematic or unethical, but the prospective reader must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the reader is provided full disclosure of the facts and may form their own judgments about the manuscript’s content.

An “affiliation/financial interest” includes, but is not necessarily limited to: (1) shareholding >US$10,000 (direct purchaser of stock), (2) acceptance of paid travel expenses or honoraria (such as speaker’s bureau), or (3) acceptance of payment for research (4) consultant (5) holding a position of influence in another professional association/society.

Please disclose in the table below any conflicting material interests or commitments based on the following:

<table>
<thead>
<tr>
<th>Author or Relationship (TYPE or PRINT)</th>
<th>Compensation (Yes or No)</th>
<th>Designation (1, 2, 3, 4 or 5 as stated above)</th>
<th>Company or Board, etc.</th>
</tr>
</thead>

Authorship and Disclosure Form

All authors must sign below and certify that any financial interests such as employment, stock ownership, honoraria, paid expert testimony, as well as any personal relationships, academic competition, and intellectual passion which may inappropriately influence the author’s actions, have been disclosed on the title page of the manuscript uploaded to the Editorial Manager website and in the table above.

By signing my name I assert that there are no undisclosed conflicts of interest (both personal and institutional) regarding specific financial interests that are relevant to the work conducted or reported in this manuscript. I have had full access to all the data in the study and thereby accept full responsibility for the integrity of the data and the accuracy of the data analysis.
