Are Israel and Young American Jews Growing Apart: Debating the Distancing Hypothesis

27th October 2010

Dear subscriber,

Due to an unfortunate error during the production of this issue, the two lead articles and the two closing articles were mixed up:

- 'Thinking About Distancing from Israel'/S.M. Cohen and A.Y. Kelman and 'Trends in American Jewish Attachment to Israel: An Assessment of the "Distancing" Hypothesis'/T. Sasson, C. Kadushin, and L. Saxe, should have been at the beginning of the issue;
- 'Distancing is Closer than Ever'/S.M. Cohen and A.Y. Kelman and 'On Sampling, Evidence and Theory: Concluding Remarks on the Distancing Debate'/T. Sasson, C. Kadushin, and L. Saxe, should have been placed at the very end of the issue.
