Digestive Diseases and Sciences publishes high-quality, peer-reviewed, original papers on basic research and clinical practice in gastroenterology, hepatology, and related fields. This well-illustrated journal features comprehensive coverage of the basic pathophysiology involved in new technological advances in the treatment of digestive diseases; insights from prominent academicians and practitioners concerning new scientific developments and practical medical issues; and discussions focusing on the latest changes in both local and worldwide social, economic, and governmental policies that affect the delivery of care of patients with digestive diseases.

Readership: Gastroenterologists, Hepatologists, Gastrointestinal surgeons, researchers in gastroenterology, general surgeons, colon and rectal surgeons, radiologists, and internists.

Journal Established: 1934
Frequency: Monthly
2013 Impact factor: 2.550
Circulation: 2,200

Cancellations are not accepted after the closing date for space reservations.

If an advertiser fails to provide new artwork for a particular issue by the printed deadline (or a pre-approved extension granted by the publisher), then the publisher will pick up the most recent artwork provided. If no artwork is on hand, then the advertiser will still be responsible for payments on space.

Acceptance Policy: The Publisher reserves the right to review and reject any advertising submitted to the journal which it deems as inappropriate for editorial content.

**PRODUCTION REQUIREMENTS**

**Electronic file format:** PDF, JIFF, or TIFF format.

**INSERTS SHOULD BE SENT TO:**
Digestive Diseases and Sciences • The Sheridan Press • 450 Fame Avenue • Hanover, PA 17331
ONLINE ADVERTISEMENTS target the most active members of your target audience as they source information. Springer is a worldwide leader for providing dependable, essential e-information. Connect with your target audience with our online advertising options, or create a more robust impact with both print and online ads.

Our Advertising team focuses on two online advertising options: 

**Banner Ads** - An embedded ad placed on our research site SpringerLink.com. NEW* Positioning for 2015: sized at 160x600, these ads are positioned on the top right of our web pages directly adjacent to our content listing. The new, wider skyscraper position will guarantee attention on your brand.

**e-TOC Alert** - An EXCLUSIVE right to advertise in our reader-subscribed email blast, on a per issue purchase basis. This alert details a summary of future content in the upcoming journal issue. Sized at 468x60, it is placed directly above the content listing in the email. These alerts have the highest click-through rates of all Springer e-products.

BROWSE OUR JOURNALS AT SPRINGERLINK.COM

SpringerLink is an integrated full-text database for journals, books, protocols, eReferences, and book series published by Springer, and offers free access to search, tables of content, abstracts, and alerting services. SpringerLink currently offers 2,777 fully peer-reviewed journals and 55,459 books online.

General and detailed information about our journals, books, software and other products is available on our corporate website Springer.com. Watch our online tutorial to find out how to browse, search, access, order, and more on SpringerLink.

**SpringerLink Stats:**

- SpringerLink receives over 3 million page impressions daily (Source: Google Analytics)
- In 2014 SpringerLink.com had 122 million unique visitors and 228 million visits (Source: Google Analytics)
- The average click rate for banner ads placed on SpringerLink.com is .10 (Source: Google Analytics)
- SpringerLink hosts more than 2,700 scientific journals
- On average each journal reaches about 280 E-Toc Subscribers (Numbers may vary due to fluctuation and popularity of journal)
Advertise with Springer Healthcare

Springer Healthcare is a leading global medical communications provider. With 550 employees and 28 offices worldwide, we boast the largest global footprint in our industry. We are a part of Springer Science+Business Media, one of the world’s leading global scientific and medical publishers.
