INTERNATIONAL JOURNAL OF DIABETES IN DEVELOPING COUNTRIES
OFFICIAL PUBLICATION OF THE RSSDI

Description: - International Journal of Diabetes in Developing Countries is the official publication of Research Society for the Study of Diabetes in India (RSSDI). RSSI is the largest organization of diabetes health care professionals and researchers in Asia.

International Journal of Diabetes in Developing Countries targets a readership consisting of clinicians, research workers, paramedical personnel, nutritionists and health care personnel working in the field of diabetes. Original research work and reviews of interest to the above group of readers is considered for publication in the Journal.

The journal has a goal of serving as an important resource material in diabetes for its readers, mainly in the developing world.
