

26th International Symposium on Polycyclic Aromatic Compounds (ISPAC)

September 9-12, 2019 – Örebro, Sweden

www.oru.se/ISPAC2019

Scientific Topics:

- Synthesis
- Interstellar PACs
- Analytical Measurements
- Toxicology and Metabolism
- Bioavailability
- Fate and Transport
- PACs in Food
- Risk Assessment and Remediation
- Health Effects of PACs
- Microorganisms and PACs
- PACs in Microplastics
- Reference Materials
- Physicochemical Properties
- PACs in Indoor Air
- Atmospheric PACs
- Polar PACs

Invited Speakers:

Prof. Dr. Christine Achten
(Univ. of Münster)

Dr. Staci Massey Simonich
(Oregon State Univ.)

Dr. Volker Arlt
(King's College London)

Dr. Lene Duedahl-Olesen
(Technical Univ. of Denmark)

Dr. Olivier Berné
(Research Inst. in Astrophysics and Planetology)

Call for Abstracts:

Submission open March 1, 2019
Submission close May 1, 2019
