The Journal of Food Science and Technology (JFST), the only peer-reviewed Indian R&D journal in the field, is being published by AFST(I) for the last forty-seven years with its respectability increasing year after year as reflected in its rising impact factor.

It provides opportunities for scientists, researchers and other food professionals to share their knowledge in their respective fields through the highly respected peer reviewed publications. Some of the USPs of the journal include:

- JFST presents a cross sectional view of global food research scenario, with authors contributing articles from all over the world.
- A right forum for original contributions in Food Science and Technology.
- JFST contains a wealth of information in the form of reviews, research papers, short communications and book reviews.
- Referred and edited by experts in the field, enriching the journal with valuable comments banking upon their vast experience.
- Indexed and abstracted by various agencies like ASFA, CAB Abstracts, CAB International, Compendex, CSA/Proquest, Food Science and Technology Abstracts, Global Health, Google Scholar, IBIDS, INIS Atomindex, OCLC, SCOPUS, Summon by Serial Solutions.

Wide acclaim among food professionals in India and abroad with readership of more than 10,000 professionals.
