Don't Miss Out on the Upcoming ISOQOL Webinar
How to Write a Good Peer Review for an Academic Journal

Learn the Do's and Don'ts of writing a constructive peer-review.

At the end of the webinar you'll have a better understanding of what is peer-review, why you should engage in peer-review, and what to consider before agreeing to review an article.

**Feature Presenters**

William R. Lenderking, PhD  
Evidera, Vice President, Outcomes Research  
Waltham, Massachusetts, USA

Jan. R. Boehnke, PhD  
Senior Research Fellow in Evaluation Design and Research Methods  
Dundee Centre for Health And Related Research  
School of Nursing and Health Sciences  
University of Dundee  
Dundee, United Kingdom

**Description**

This webinar will focus on the peer review process with a special focus on PROMs and QoL. New and experienced researchers will discuss the importance of a sound review and establish a structured approach and criteria to facilitate the peer-review process.

**Learning Objectives**

- Participants will learn important aspects of reviewing a manuscript for a scientific journal
- Participants will be able to write a sound and structured peer-review
