Don't Miss Out on the Upcoming ISOQOL Webinar
*How to Write a Good Peer Review for an Academic Journal*

Learn the Do's and Dont's of writing a constructive peer-review.

At the end of the webinar you'll have a better understanding of what is peer-review, why you should engage in peer-review, and what to consider before agreeing to review an article.

**Feature Presenters**

**William R. Lenderking, PhD**  
Evidera, Vice President, Outcomes Research  
Waltham, Massachusetts, USA

**Jan. R. Boehnke, PhD**  
Senior Research Fellow in Evaluation Design and Research Methods  
Dundee Centre for Health And Related Research  
School of Nursing and Health Sciences  
University of Dundee  
Dundee, United Kingdom

**Description**

This webinar will focus on the peer review process with a special focus on PROMs and QoL. New and experienced researchers will discuss the importance of a sound review and establish a structured approach and criteria to facilitate the peer-review process.

**Learning Objectives**

- Participants will learn important aspects of reviewing a manuscript for a scientific journal
- Participants will be able to write a sound and structured peer-review
