Founded in 1962, the journal *Society* publishes new ideas and research findings drawn from all the social sciences, and presented in a readable and useful manner. It is aimed at decision makers and others concerned with trends in modern society. Each issue features a special symposium and policy-relevant research, as well as reviews of significant new books. Articles in Society span the social sciences, including sociology, political science, economics, psychology, and anthropology. Society attracts an interdisciplinary readership of social scientists and others with a proven interest in social and political issues.

ONLINE ADVERTISEMENTS target the most active members of your target audience as they source information. Springer is a worldwide leader for providing dependable, essential e-information. Connect with your target audience with our online advertising options, or create a more robust impact with both print and online ads.

Our Advertising team focuses on two online advertising options: Banner Ads - An embedded ad placed on our research site SpringerLink.com. NEW* Positioning for 2013: sized at 160x600, these ads are positioned on the top right of our web pages directly adjacent to our content listing. The new, wider skyscraper position will guarantee attention on your brand.

e-TOC Alert - An EXCLUSIVE right to advertise in our reader-subscribed email blast, on a per issue purchase basis. This alert details a summary of future content in the upcoming journal issue. Sized at 468x60, it is placed directly above the content listing in the email. These alerts have the highest click-through rates of all Springer e-products.

BROWSE OUR JOURNALS AT SPRINGERLINK.COM
