Each customer's journey is unique. Our marketing solutions can be tailored to reach your customers at any point.

How can your marketing help?

**DRAW ATTENTION**
- Boost your message to a wide audience. Highly visual advertisements in key publications and prominent websites produce important first impressions. Complement this wide reach with more refined targeting to reinforce to your specialized market.
- Create and distribute relevant content to grab more attention outside of traditional advertisements. Insert your brand into the community. Talk with your audience about their challenges rather than to them about your product. Tell a unique story with an article or align your brand with latest content from Springer Nature.

**CAPTURE ENGAGEMENT**
- Keep up with more captivating content! Continue an in-depth story your audience will love reading and sharing. Be a thought leader in a topic and convert customers into loyal brand advocates. Content’s unrivalled flexibility makes it a crucial component for multiple stages.
- No time for creating content? No problem! Our custom content team can create relevant articles for you in a voice and style your audience already loves and engages with daily.

**GENERATE ACTION**
- Get them clicking and responding to finalize that sale. Send an email with a strong call to action to reply. Talk to your customers directly with a webcast to answer their questions in real time. With these qualified leads, your sales team can follow up and close the deal.

**DON'T KNOW WHERE TO START?**
- We can help you find the right marketing mix for campaigns of all sizes and budgets. Talk to us at any stage from early brainstorming to launch.

BRANDED CONTENT & OPTIMIZED TARGETING

TURN YOUR MESSAGE INTO IMMERSIVE STORIES THAT OUR READERS WILL READ, RESPECT, AND SHARE.

Branded content is purpose-built by the Nature Research Custom Media team, with your full approval. Integrate your messaging into articles and story formats that our readers expect and enjoy, prominently featuring your organization as a trusted partner.

What will my branded content look like on nature.com?

NATIVE ADVERTISING

Native advertising placements can be used to promote your branded content on Nature Research journal sites. These advertising units have been carefully designed to highlight your content to our audience, without impacting their user experience. We also utilize multi-channel marketing campaigns across Springer Nature to further ensure your objectives are achieved.

See examples of native advertising.

OPTIMIZED TARGETING

We provide unparalleled contextual targeting, native advertising, and audience segmentation across our entire web portfolio. Place your ads alongside specific articles based on any keyword selections of your choice, relevant journals, as well as user behavior.
