I would like to apologize for the great number of errata in the citations. As a convenience for our German readers, we provided also the references in the German translations of Bourdieu’s works. Seemingly, the elevated number of titles and pages overstrained the capacities of our program for bibliographical management (which under conditions of lesser stress works fine), so that a considerable number of citations was not updated automatically. While the result of this malfunction does not disturb smooth reading, it can get strongly irritating when readers consult the bibliographical references. Again apologizing, we therefore provide a list of corrigenda.

H. W. Schäfer, Bielefeld, March 2016
