

Acta Mathematica Sinica, English Series

Editorial Director: Y. Sun

Managing Editors: Z.-M. Ma; L. Zhang

- ▶ Official journal of the Chinese Mathematical Society
- ▶ Fast publication of research papers covering whole spectrum of pure and applied mathematics
- ▶ Provides comprehensive reviews on current developments in mathematical research

Acta Mathematica Sinica, established by the Chinese Mathematical Society in 1936, is the first and the best mathematical journal in China. In 1985, Acta Mathematica Sinica is divided into English Series and Chinese Series. The English Series is a monthly journal, publishing significant research papers from all branches of pure and applied mathematics. It provides authoritative reviews of current developments in mathematical research. Contributions are invited from researchers from all over the world.
