Essentials of Diagnostic Gynecological Pathology

Series Editors: N. Singh, G. McCluggage

The Essentials of Diagnostic Gynecological Pathology series is sponsored by the British Association of Gynecological Pathologists. These lavishly illustrated books cover the pathology of the wide but sometimes rare range of conditions involving this area. The volumes in this series are written to be useful diagnostically to general as well as specialist gynecological histopathologists and pathologists in training. Gynecologists, oncologists, dermatologists, genitourinary physicians and cancer nurse specialists will find expert insights here that will help in the treatment and counselling of their patients.
