Editor-in-Chief: M. Boersma

- ▶ **APCs fully covered by Alfred Wegener Institute, Helmholtz Centre for Polar and Marine Research**
- ▶ **Covering the breadth of marine and brackish water ecosystems**
- ▶ **No page or figure limits and no additional charge for colored images**

The island of Helgoland has long been a bastion of marine biology in Europe, producing innovative and ground-breaking research. *Helgoland Marine Research* applies this reputation for excellence to publish the highest quality papers in marine and brackish water ecosystems across the world. *Helgoland* welcomes papers that focus regionally, with implications on the global scale and contributions that describe species interactions and how they drive marine ecosystems. The journal is supported by the Alfred Wegener Institute, Helmholtz Centre for Polar and Marine Research so author's do not have to pay an Article-Processing Charge.

Impact Factor: 1.013 (2016), Journal Citation Reports®

Giving authors in their area of expertise
the opportunity to publish open access

- ▶ High visibility thanks to unrestricted online access
- ▶ Rigorous peer-review and high-quality author services
- ▶ Creative Commons licensed – authors retain copyright
- ▶ Citation tracking and inclusion in bibliographic databases
- ▶ Easy compliance with open access mandates
