International Journal of Historical Archaeology
Editor: O.J. Charles E.

- Focuses on the post-1492 period and includes studies reaching into the Late Medieval period
- Establishes global connections between sites, regions, and continents
- Presents the latest theoretical, methodological, and site-specific research

*International Journal of Historical Archaeology* is an authoritative resource for scholarly research on this rapidly growing field. Articles contributed by an international body of experts present the latest theoretical, methodological, and site-specific research. Exploring a wide-range of topics, the journal focuses on the post-1492 period and includes studies reaching into the Late Medieval period. In addition, the journal makes global connections between sites, regions, and continents.

*International Journal of Historical Archaeology* meets the needs of archaeologists, students, historians, and historical preservationists as well as practitioners of closely related related disciplines.

Included in the European Reference Index for the Humanities (ERIH) PLUS

The European Reference Index for the Humanities and the Social Sciences (ERIH PLUS) was created and developed by European researchers under the coordination of the Standing Committee for the Humanities (SCH) of the European Science Foundation (ESF).
