Journal of Indian Philosophy

Editor-in-Chief: D. Acharya

- ▶ Explores varied aspects of classical and modern Indian thought
- ▶ Includes close analysis of philosophical texts, and detailed annotated translations
- ▶ Offers speculative discussion of philosophical issues based on close readings

The Journal of Indian Philosophy publishes articles on various aspects of classical and modern Indian thought. Coverage ranges from close analysis of individual philosophical texts to detailed annotated translations of texts. The journal also publishes more speculative discussions of philosophical issues based on a close reading of primary sources.
