Inflammation Research

Official Journal of: The International Association of Inflammation Societies + The European Histamine Research Society

Managing Editor:

J.A. Di Battista

- ▶ A wide ranging journal covering all aspects of inflammation
- ▶ Covers related topics including allergy and asthma, shock, pain, joint damage, skin disease as well as clinical trials of relevant drugs
- ▶ Presents original research, reviews, commentaries, society proceedings and more
- ▶ 100% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again

Inflammation Research (IR) publishes peer-reviewed papers on all aspects of inflammation and related fields including histopathology, immunological mechanisms, gene expression, mediators, experimental models, clinical investigations and the effect of drugs. Related fields are broadly defined and include for instance, allergy and asthma, shock, pain, joint damage, skin disease as well as clinical trials of relevant drugs.

Impact Factor: 2.990 (2017), Journal Citation Reports®
