Educational Assessment, Evaluation and Accountability

International Journal of Policy, Practice and Research

Editor-in-Chief: S.G. Huber; G. Skedsmo

- ▶ **International, peer-reviewed, SCI-ranked**
- ▶ **5-yr Impact Factor (2014): 1.079**
- ▶ **Presents excellent and significant think pieces and empirical work**
- ▶ **Accepted articles are promptly published online first**

Aims and Scope:

The main objective of this international journal is to advance knowledge and dissemination of research on and about assessment, evaluation and accountability of all kinds and on various levels as well as in all fields of education.

The journal provides readers with an understanding of the rich contextual nature of evaluation, assessment and accountability in education. The journal is theory-oriented and methodology-based and seeks to connect research, policy making and practice.

The journal publishes outstanding empirical works, peer-reviewed by eminent scholars around the world.

Aims and Scope in more detail:

The main objective of this international journal is to advance knowledge and dissemination of research on and about evaluation, assessment and accountability:

- of all kinds (e.g. person, programme, organisation),
- on various levels (state, regional, local),
- in all fields of education (primary, secondary, higher education/tertiary, as well as non-school sector) and across all different life phases (e.g. adult education/andragogy/Human Resource Management/professional development).

Impact Factor: 1.303 (2017), Journal Citation Reports®
