## Journal of Maritime Archaeology

Editor: A. Corbin; A. Trakadas

- ▶ Covers maritime archaeology, both terrestrial and underwater
- ▶ Addresses landscape, structure, sites and issues of heritage management
- ▶ Spans archaeology and related disciplines such as cultural geography, history, ethnography, oceanography and anthropology
- ▶ Explores all aspects of the human past in maritime environments

*Journal of Maritime Archaeology* is the first international journal to address all aspects of maritime archaeology, both terrestrial and under water. It encompasses theory, practice and analysis relating to sites, technology, landscape, structure, and issues of heritage management.

The Journal provides a conduit for maritime approaches reaching across archaeology and related disciplines such as cultural geography, history, ethnography, oceanography and anthropology. In so doing the journal addresses all aspects of the human past relating to maritime environments.

#### Included in the European Reference Index for the Humanities (ERIH) PLUS

The European Reference Index for the Humanities and the Social Sciences (ERIH PLUS) was created and developed by European researchers under the coordination of the Standing Committee for the Humanities (SCH) of the European Science Foundation (ESF). <https://dbh.nsd.uib.no/publiseringsskanaler/erihplus/about/index>
