## International Journal of Mental Health and Addiction

Editor-in-Chief: M. Zangeneh

- ▶ **Presents current information and developments in mental health and addiction-related research, policy, phenomenology, literature, and treatment**
- ▶ **Helps make sense of the effects of mental health and addiction on individuals and societies**
- ▶ **Offers broad-ranging coverage in a wide-array of disciplines, from psychology to literature**
- ▶ **94% of authors who answered a survey reported that they would definitely publish or probably publish in the journal again**

The journal provides a forum for international debate on mental health and addiction-related issues, and helps make sense of the effects of mental health and addiction on individuals and societies. It reports on current information and developments in mental health and addiction-related research, policy, phenomenology, literature, and treatment.

The International Journal of Mental Health and Addiction offers broad-ranging coverage in such fields as psychology, sociology, anthropology, criminology, public health, history, law, and literature. The journal publishes feature articles, review articles, clinical notes, research notes, first-person accounts, letters to the editor, commentaries, conference reports, book reviews and abstracts.

Impact Factor: 1.420 (2018), Journal Citation Reports®
