European Review of Aging and Physical Activity

Editor-in-Chief: W. Zijlstra; Y. Netz

Associate Editor: M. Brach

- ▶ **Official journal of the European Group for Research into Elderly and Physical Activity (EGREPA)**
- ▶ **Fully open access from January 2015 with its back content free to readers all over the world**
- ▶ **Timely and rigorous peer review**

European Review of Aging and Physical Activity (EURAPA) offers a global forum to advance understanding of the relationships between aging and physical activity across biomedical and behavioral sciences. With a dynamic scope, the open access journal encompasses topics spanning basic physiology, exercise science, brain and cognition, clinical & health sciences, gerontology, ethics and philosophy, and research methods. EURAPA is proud to be the official journal of the European Group for Research into Elderly and Physical Activity (EGREPA).

Impact Factor: 2.154 (2016), Journal Citation Reports®

Electronic access
