## **WMU Studies in Maritime Affairs**

Series Editors: D.-W. Song, J.-U. Schröder-Hinrichs

WMU Studies in Maritime Affairs was launched in 2013 to inspire scholars from all walks of maritime life to contribute to the creation and advancement of knowledge in the numerous maritime disciplines through publications of the highest order of excellence. With this book series, the World Maritime University aims to lead an expansion of scholarly pursuits, particularly in the areas of maritime law and policy, maritime safety and environmental administration, maritime education and training, marine environmental and ocean management, port management, and shipping management.
