Chinese Journal of Integrative Medicine

Editor-in-Chief: K. Chen

► A comprehensive English language journal covering integrative Chinese and Western medicine
► Founded in 1995, and managed by the State Administration of Traditional Chinese Medicine
► Reports on scientific developments, experiences and achievements in clinical practice, scientific research, education and healthcare

Chinese Journal of Integrative Medicine, originally entitled "Chinese Journal of Integrated Traditional and Western Medicine" (English Edition), was founded in 1995, and changed formally its name in 2003. This journal is supervised by State Administration of Traditional Chinese Medicine, sponsored by Chinese Association of Integrative Medicine and China Academy of Chinese Medical Sciences. It is the first international peer-reviewed monthly journal on integrative medicine included in Science Citation Index Expanded (SCI-E).

Impact Factor: 1.445 (2018), Journal Citation Reports®
