Current Gastroenterology Reports
Editor-in-Chief: J.E. Richter

- Presents the views of experts on current advances in gastroenterology in a clear and readable form
- Gathers and synthesizes important recent papers on gastroenterology
- Reviews recently published clinical trials
- Alerts readers to useful web sites on the topic

Current Gastroenterology Reports provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of gastroenterologic diseases and conditions.
