**Current Neurology and Neuroscience Reports**

Editors-in-Chief: S. Fahn; J.C.M. Brust

Associate Editor: M. Hennerici

- ▶ **Presents the views of experts on current advances in neurology and neuroscience**
- ▶ **Gathers and synthesizes important recent papers on the topic**
- ▶ **Includes reviews of recently published clinical trials, valuable web sites, and commentaries from well-known figures in the field**

*Current Neurology and Neuroscience Reports* provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of neurological disease and disorders.

Impact Factor: 3.400 (2018), Journal Citation Reports®
