Current Psychiatry Reports
Editors-in-Chief: R.O. Friedel; D.L. Evans

- Presents the views of experts on current advances in psychiatry in a clear and readable form
- Gathers and synthesizes important recent papers on psychiatry
- Alerts readers to clinical trials, valuable web sites, and commentary

Current Psychiatry Reports provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of psychiatric disorders.

Impact Factor: 3.864 (2017), Journal Citation Reports®
