Current Rheumatology Reports
Editor-in-Chief: B.N. Cronstein

- Presents the views of experts on current advances in rheumatology in a clear and readable form
- Gathers and synthesizes important recent papers in the field of rheumatology
- Summarizes recent trials, offers expert commentary and valuable websites

Current Rheumatology Reports provides in-depth review articles contributed by international experts on the most significant developments in the field. By presenting clear, insightful, balanced reviews that emphasize recently published papers of major importance, the journal elucidates current and emerging approaches to the diagnosis, treatment, management, and prevention of rheumatologic disorders.

Impact Factor: 3.079 (2017), Journal Citation Reports®
