Proceedings of the Zoological Society
Editor-in-Chief: D. Mukherjee

- a) official publication of the prestigious Zoological Society, Kolkata, India
- b) premier Indian journal in the field of Animal Sciences

The Society is publishing *Proceedings of the Zoological Society* since 1948, which is now recognized as an internationally reputed journal and is widely circulated all over India and abroad. With sincere efforts of the entire editorial board the journal has been updated and quality of printing has been improved to a great extent. The journal mainly accepts original research papers containing new facts on any discipline of zoology. Articles with new interpretations of the existing knowledge is strongly encouraged for submission.
